**RE: A special provision by Contest Officials authorizes the additional disbursement of a BONUS CASH PRIZE.  
READ BELOW FOR IMPORTANT INFORMATION AND INSTRUCTIONS. DEADLINE: MAR 05 2023**

Dear Firstnamexxxxxxx X Lastnamexxxxxxx Xxx,

Make no mistake about it: Contest rules dictate that the winning number for the **\$1,000,000.00 Grand Prize** be held under lock and key in a secure location. **You -- and you alone -- have been issued the \$1,000,000.00 Grand Prize entry number xxxx xxxx xxxx**, which could very well be a match for the Prize. Furthermore, due to a Special Provision outlined by Contest Officials, the **NOTICE OF OFFICIAL ADDENDUM** posted above also authorizes the disbursement of a **\$25,000.00 Bonus Cash Prize**.

On behalf of the National Fund for Foster Children and our Contest Officials, I can honestly tell you that we appreciate it when the winner turns out to be someone who believes that doing good for others is its own reward. And our hope for the winner is that retirement offers a bounty of well-deserved enjoyment for years to come -- especially with the **\$1,000,000.00 Grand Prize** in hand.

Firstnamexxxxxxx, it would be a shame for you to miss out on this opportunity -- an opportunity that could provide you with the icing on the cake: the fulfillment of those long-held dreams you've carried for you and your loved ones. We've learned from previous winners that one of the first things that comes to mind when contemplating, "What would I do if I won that much money?" was "What can I do for someone else?" Well, I'm here to tell you that such generosity does not go unnoticed by **our Contest Officials; they have taken the special step of adding a \$25,000.00 Bonus Cash Prize to our giveaways, which is intended for the winner's own enjoyment.**

As the **NOTICE OF OFFICIAL ADDENDUM** states, the \$25,000.00 Bonus Cash Prize would be awarded on a date the winner specifies. Perhaps you'd choose your birthday, anniversary, or another significant day in your life or the life of your family. **Just imagine how it would feel to receive an extra \$25,000.00 in cash on your birthday, or another special day, to spend any way you'd like.**

Now imagine having a birthday surrounded by people you barely know, no matter how kind they are. Foster children -- more than 400,000 nationwide -- experience that every day in homes across America where good families

- over, please -

struggle to provide them with basic needs. Imagine what that foster child is wishing for on his or her birthday. Perhaps wishing for a family to love them, a new toy to play with, a room to call their own. For a foster child who turns 18, a birthday wish comes with even more significance. In many cases, the child-turned-young-adult is pushed out of foster care and into the world without any guidance or support.

The fact is, we are giving away all these wonderful Prizes to simply call attention to the plight of foster children in every one of our United States because they need help from good-hearted people like you. The mission of The National Fund for Foster Care is to connect these children with mentors who can help them successfully navigate their way from childhood to their teen years and on to adulthood.

We've been helping foster children since 2017, but we can't make their birthday wishes come true without the generous support of caring folks who live in towns and cities across this great country, just as these children do. Won't you help a child in need?

To do so, please see the enclosed Special Provision Acceptance and Entry Form. And don't forget: Return that same Form by the deadline to qualify for the **\$1,000,000.00 Grand Prize**, along with the **\$25,000.00 Bonus Cash Prize**, which can be awarded on any day the winner chooses. Please transfer the Official Seal from the Addendum to the enclosed Form and specify your preferred award date. **But be sure to respond by the March 5, 2023 deadline.**

Yours truly,
