PUBLISHERS CLEARING HOUSE

WINNERS PRIZE DEPARTMENT

May 22, 1998

Dear Miriam:

There's nothing we enjoy more than saying to someone, "Congratulations! You're a guaranteed winner in the Publishers Clearing House Sweepstakes!" And now that someone is you, Miriam! Just like we promised in a letter we sent you recently.

As a President's Gold Club Member, you are definitely -- without a doubt -- going to win an all-cash prize, if we hear from you by June 24, 1998. You could even win \$1 MILLION.

Your win will cap the busy months we've had here at Publishers Clearing House since the Super Bowl™. Dave has been on the road more times than I can count to give away millions of dollars -- and we're not about to slow down for a minute. In fact, the next scheduled stop for Dave and the Prize Patrol could be your home in Columbus, Ohio, on June 26.

Just think: One minute you're going about your business, and then there's a knock at the door. It's the Prize Patrol! In that instant, you've become a millionaire. And we're right there as it happens. Who wouldn't love this job?

I've enclosed a photo of the Prize Patrol, looking as if they're visiting your home, so you can picture your winning moment.

But first things first. We're ready to make out a prize check to you. We're just waiting to receive the enclosed Official Prize Award Guarantee to confirm your winnings. Although most folks will win \$1.00, your prize could be \$500.00, \$1,000.00, \$2,000.00, \$10,000.00, or as much as \$25,000.00! What's more, you could very well win our \$1 Million SuperPrize!

Isn't it wonderful when there's no way you can lose?

Congratulations again,

Dorothy

P.S. We're so excited about all of this that we're taking an early look on Friday, June 26 to see if the winning number has been returned. If you have sent back the winning number, the Prize Patrol will be visiting your home with the \$1 Million SuperPrize! So mail us your Prize Award Guarantee right away. After all, you have absolutely nothing to lose and everything to win!
