Membership Information Packet

**Dear Friend,**

I hope this letter finds you filled with Love and Power. Thank you for taking a step into a deeper commitment to the mission of Lumber City Church.

As we get closer to the cross of Christ, we get closer to one another. It only makes sense (and is biblically supported) to commit to a covenant to pursue His will for His glory as His people UNITED in mind, mission, and Spirit. (John 17)

**LUMBER CITY  
CHURCH**

Church membership isn't something to take lightly! It is a step deeper into the mission of the church. The deeper you go into the mission, the closer you will come to the realities of the messiness of what it means to be in relationships with others. It's another level of following Jesus that causes us to check ourselves as we look into the mirror of our faith. Membership, plain and simple, is a call to a deeper level of self-denial. At the same time, the benefit is the closer relationships that you will be a part of! Not only will you be closer to Jesus as you serve in His mission, but you'll also benefit from the people that God surrounds you with who are ALSO endeavoring to put YOUR needs before their own! This is the beauty of the body of Christ!

The greatest outcome of a unified membership is the glory (fame) that Jesus receives. As the world tells us to protect ourselves and not trust anyone, Jesus calls us to be vulnerable and trust Him. As the world tells us to protect our wealth, Jesus calls us to give it all away. As the world teaches that life is defined by the strength of the individual, Jesus calls us to become weak as a part of a community that defines us. The world is watching! As we practice these things in UNITY, the world will see that Jesus is worth following as they see His image being lived out in a community of mutual sacrifice.

At Lumber City Church, membership is an intentional and prayerful process. Unlike some churches that offer open membership sign-ups, we take a different approach. Our Pastoral Leadership Team and Church Council carefully consider new members at our monthly meetings, reaching out to those whom we see already living out the heart of our mission. We seek individuals who exhibit a personal, dynamic relationship with Jesus Christ, are committed to the vision and beliefs of our church, demonstrate their faith through regular financial giving and serving, and are willing to be led by the Pastoral Leadership Team and Church Council. When we recognize these qualities in someone, we invite them into a deeper covenant with our church family.

**According to The LCC Constitution (Article VI: Membership):** Anyone who wishes to be considered for Membership into this Church must:

- Have clear evidence of a personal, dynamic relationship with Jesus Christ.
- Be committed to the vision, mission, and beliefs of our church.
- Demonstrate their support through regular and consistent financial giving of a tithe and serving.
- Agree to be led by the Pastoral Leadership Team and the Church Council. **(Continued ->)**

**According to the LCC Bylaws (Section 1: Qualifications):** Individuals may become members in good standing if they satisfy the following criteria:

- Demonstrate evidence of being born again and being a fully-devoted follower of Jesus Christ.
- Agree to the Church's Statement of Faith, Constitution, and Bylaws.
- Have signed a Membership Covenant approved by the Pastor and Church Council.
- Participate regularly in primary worship services and other ministry opportunities held by Lumber City Church.
- Contribute regularly to the financial support of Lumber City Church.
- Complete requirements as determined by the Lead Pastor.

We believe that membership is more than just joining a church—it's entering into a deeper relationship with Jesus and His people. If you have been approached about membership, it's because we already see these qualities in you and want to invite you to take this step with us.

# Our Pathway and our Process

We exist to serve God and serve one another. Our hope is that Lumber City Church becomes a place serves this community so well that it would be impossible for us to close our doors because of the impact we make in the lives of the people of our community. The diagram on the right shows that service to the community is our highest value. Each in the process of discipleship is a step lower. The Congregation is willing to serve the community. Committed are willing to serve the congregation the community. The core is willing to serve the committed, the congregation and the community. Each phase of the discipleship process calls for deeper relationships with Jesus and His people.

## The Community:

These are the people that God has us here to serve. We believe it is God's will that we serve the church and the unchurched alike.

## The Congregation:

These are the people that come to Lumber City Church on a regular basis. Some are engaged in and all are encouraged to find relationships in Life Groups and give and serve as they are led.

## The Committed:

This is the membership of the church. The committed have pledged to give toward the mission of Lumber City Church in all of the ways that the Bible prescribes for followers of Jesus Christ. They are unified and committed to the mission God has given us. They have agreed to be accountable to their pledge to serve. They are expected to be in a Life Group, serve somewhere in the church, support the church financially and share their faith in their circles of influence outside of the church family.

## The Core:

The Core are people who fit the Biblical leadership qualifications of an Elder. They are called by God to sacrifice at great levels to lead, communicate and defend the vision of the church. They are all engaged in Life Groups, lead ministries and are expected to be ready when called upon by the Lead Pastor for help in serving and leading. Theirs is the highest level of responsibility for the vision and execution of church business.

# SAMPLE Lumber City Church Pastoral Leadership Resolutions

**THIS IS A SAMPLE...** The Pastoral Leadership Team signs this covenant agreement as they are adopted into leadership. Every time a new leader is added, we sign a new covenant for that new team. This is what you can expect from leaders at Lumber City Church.

The Gospel of Jesus Christ; His perfect Life, sacrificial death and glorious resurrection serve as the reason WHY we choose to faithfully serve God as leaders of Lumber City Church for the advance of His Good News.

Our CORE values are RELATIONSHIPS and TRANSFORMATION and SACRIFICE. We ALSO value; Community, Humility, Innovation, Diligence, Simple and clear communication, and Missional Behavior. These values of Lumber City Church inform WHAT we will do.

This document is to serve as a clear framework for key behaviors that will be: HOW Lumber City Church Leaders are expected to behave as servant leaders. It also serves as a simple way to evaluate our progress as an organization by measuring the “people metric” of the leaders themselves.

Because of the high level of responsibility given to leaders and the level of investment required, we voluntarily and mutually agree to practice the following behaviors because we believe they will keep our team rooted in our values and active in the clear mission that God has given us: “To make the name of Jesus famous in North Tonawanda and beyond by creating a community of disciples that love God and love all”

## **We resolve to:**

- **IMPROVE:** I agree to put energy into always making things better.
  - What am I doing to make us improve organizationally?
- **SOLVE:** I agree to stay on the solution side of every issue.
  - What problems have I identified in our organization?
  - What am I doing to implement creative solutions to those problems?
- **FINISH:** I agree to finish everything I've agreed to start.
  - What have you left undone?
- **COLLABORATE:** I agree to have my brother/sister's back by collaborating for success.
  - What have you done to protect someone on our team?
  - How have I loaned myself to another department?
- **PARTICIPATE:** I agree to show buy-in through participation in the life of the church.
  - How am I personally engaged in LCC's mission and vision?
  - Are you in a discipleship relationship, Life Group, Tithing?
- **ASK:** I agree to speak up every time something is not clear to me or when I need help.
  - Are you confused about anything?
  - What do you need help to finish?
- **FLEX:** I agree to embrace change.
  - How have you shown “open handedness”?
  - Have you given up that you loved, for the good of LCC?

*I have been appointed as a leader within Lumber City Church. I take very seriously the commitment of my time, talent and treasure this requires. I submit myself to the Pastoral Leadership and understand that I will undergo regular evaluation because of the importance of this servant leadership position. THIS IS A SAMPLE OF THE COVENANT OUR ELDER LEADERS AGREE TO.*
