

Welcome to The Extended Family Classes

Feel good. Do good. Have fun while doing.

How to Make the World a Better Place by Helping Your Neighbors in Need.

Meal Preparation for Families Class: Food insecurity is growing at an alarming rate and too many of our neighbors are unable to put food on the table. Our local Food Pantries are experiencing the stress of meeting the increasing numbers of families in need of relief. Be part of the solution! Learn to use a variety of ingredients and measurement tools to create delectable meals to share with neighbors in need. You will learn how combinations of ingredients come together to produce hearty nutritious meals as well as learn how to develop new recipes.

Meal Preparation for Students Class: Did you know that sadly there are too many students who are not getting nutritious meals on the weekends and during school vacations? There are 177 days when students are out of school, placing a burden on families who are struggling to put adequate food on the table. Learn how to make a variety of simple, kid friendly nutritious meals for the microwave.

Meal Delivery Class: Learn how to coordinate delivery schedule with local Food Pantries and determine quantity for each delivery. Experience on site deliveries to gain awareness and knowledge of how best to interact with Food Pantry Staff and Guests

ART WITH A PURPOSE

Feel Good Bags for Meal kits: Learn to create beautiful and unique meal kits for those experiencing food insecurity by utilizing a variety of art materials and mediums. Learn how to help support the growing number of families in need.
