Please Keep This For Your Records

Every effort will be made to assign the student to the requested session time. You will be notified of the Class Time/Group # approximately one week before lessons begin. Lessons are scheduled to begin on the **First Saturday in January**, weather permitting. Private lessons are available at the cost of \$15.00 per hour. Private lessons can be arranged through the Ski School Director. The Ski School may double up group lessons on a weekend (offering them on Sat. and Sun.) in an attempt to get all the lessons in while the snow conditions are good. This is often the case if lessons start at a date later than the end of January due to unfavorable snow conditions on the hill. You are advised to call the lodge at (315) 487-2778, or check the website each Saturday and Sunday morning for the snow report before arriving for lessons.

There are elements of risk in skiing/snowboarding that common sense and personal awareness can help reduce.

- 1. Ski under control and in such a manner so you can stop or avoid other skiers/snowboarders or objects.
- 2. When skiing/snowboarding or overtaking another skier/snowboarder, you must avoid the person below you.
- 3. You must not stop where you obstruct a trail or are not visible from above.
- 4. When entering a trail or starting down the hill, yield to the other skiers/snowboarders.
- 5. Keep off closed trails and posted areas, and observe all posted signs.

Be Safety Conscious!
