

## Is Preserving Fayette County's Racing History Important to You?

Sponsor/Partner with *SPEED KING*, the Documentary.

- In 1913 Charley Johnson was dubbed Speed King by the press and locals, never dreaming he would meet Barnrey Oldfield, the original Speed King, and hold his idol's final race here in 1918.
- In 1915 Vivian Prescott, actress/driver/track promoter, met Charley Johnson at the Summit Mountain Hill Climb.
- In 1916 Prescott, had Carl Laemmle at Universal Films sponsor the big annual trophy race at the Uniontown Speedway board track.
- In 1917 Prescott welcomed her driving mentor Barney Oldfield to Uniontown, along with his new Miller-Built, Golden Submarine. Uniontown Speedway President Charley Johnson paid Oldfield \$4000 to display it.
- From 1916 - 1922, Johnson, Prescott, and big name race teams put Uniontown on the international racing map. The Duesenberg team of Milton & Murphy set 52 AAA speed records here that held for over 40 years.
- We are trying to get a National Road Transportation **Museum** going in the mountain.
