

# Imogen Dunn

## Professional summary

Motivated Landscape Architecture undergraduate focusing on the environment and the community, with experience in conservation and communication with the public. A team player with problem solving skills and the ability to adapt to the requirements of the job at hand.

### University of Greenwich/St Austell, Cornwall

Student researcher, 2025 to date

- Bringing together landscape theories and landscape technologies through fieldwork to trace and record how the story of clay weaves through human and other non-human relations.
- Use of analogue and digital photography techniques, LiDAR scanning, sketching and surveying to carry out site research.
- Presented research findings at a symposium.

### University of Greenwich

Student worker, 2023 to date

- Helped with prospective student interviews, answering questions and offering guidance for university applications.
- Assisted in setting up for open days, handing out merchandise, and offering tours of the campus.
- Represented the University in the UCAS fair at the Excel Centre, setting up for the show and talking to prospective students about courses and facilities.

### Abbotsbury Swannery, Abbotsbury Tourism Ltd

Swannery Assistant, 2019 to 2024

- Worked as part of a team in the daily protection of a nesting colony of swans, with proper handling of swans and cygnets whilst vaccinating, nest checking and tagging.
- Carried out maintenance and repairs of structures and machinery.
- Understood and adhered to company health and safety policies.
- Took on additional tasks on manager's request.
- Used problem-solving skills to resolve challenges and prioritise workload.

### High Mead Farm - Community Therapy Area

Volunteer, 2021

- Carried out maintenance on-site, working with the landscape and animals that reside there.
- Communicated with people using the site.
