About Us

The square and the compass are Masonry's most popular symbol signifying integrity and virtue.

Freemasonry has existed throughout the world for centuries and is the oldest Fraternal Order in the world. Chartered in 1879, the Brethren of William Renton Lodge No 29 have a proud history on the Island. We support our youth through scholarships and a local Boy Scout troop.

WHAT IS MASONRY?

Freemasonry is the oldest, largest and most charitable men's fraternal organization in the world. Spiritual, not religious in nature, requiring every member to profess a belief in a Supreme Being of his choice. Family oriented with many programs and groups to involve the entire family. An opportunity for a man to improve himself. Rich in history, tradition and patriotism. Sensitive to the needs of each community where it exists.

Open to men of good character regardless of race, creed or religion.

Freemasonry is NOT: A secret society. Any information about Masons can be found at a well stocked bookstore or local library. Masonic buildings are clearly marked and listed in the phonebook. Members wear Masonic jewelry. The only secret about Masonry is that there are no real secrets! A Mason is proud of his membership!

The main purpose of Masonry is to take good men and assist them in becoming better husbands, fathers, sons and brothers. Masonry does this by keeping them exposed to moral and ethical teachings. One of most important concerns is what each Mason gives back to his community. Masonry's cornerstone is charity. Approximately two million dollars a day is given to charity by all Masonic organizations combined.
