A Note from the Kitchen

Hello All, this is your cook Daria. I just want to say thank you for welcoming me and giving me the chance to show you what I can do. Most of what goes on in the kitchen is done by volunteers. And I want to thank each of you, who donate your time and skills to help me out. If you want to volunteer some time just give me a call or stop by. There is always something to do and help is always welcomed. Two other things. If there is something special you would like please let me know and I will price to see if possible and if, you have any comments (good or bad) please let me know.

Thank you again,

Daria

VOLUTEERS NEEDED

At the time of this newsletter the Aerie does not have anything planned for the 4th of July. They need volunteers to help with some activities.

Because you might be the chairman of an event there are a lot of members who have done it before and can help you. They can help you plan food, best place to buy, prices and get other volunteers to help you. Please talk to your Aerie or Auxiliary Presidents or Trustees to see what you can do.
