Your Aerie and Auxiliary officers, trustees and staff are trying to give you the most for your buck. Due to the fluctuation in today’s world sometimes they have to change the price of some things. Please be patient.

## VOLUTEERS NEEDED

They need volunteers to help with some activities and in the office. Because you might be the chairman of an event there are a lot of members who have done it before and can help you. They can help you plan food, best place to buy, prices and get other volunteers to help you. Please talk to your Aerie or Auxiliary Presidents or Trustees to see what you can do.

---

To all Spokane #2 Auxiliary Sisters and Brothers.

On Tuesday September 4, 2018, the Auxiliary will be hosting the State Madam President Karen Hildebrand for her official visit. We will be having a social time at 4:30 PM with a potluck at 5:00 PM. ## Travel Club

To all my fellow RVers. I am sorry for not doing my newsletter for July, that was my fault. I was busy with graduations and RVing. In July, I went to four new RV destinations. One is on the Columbia River, Corvallis and Newport Beach, Oregon. Three of us RVED to North Lake RV on the Kettle river that I thought was nice. Two of us went to Chewelah Meadows which is always quiet, beautiful and cool. There were 51 RVs in the morning. But we have gotten use to that electrical stuff and a few of us still like the creek running and the outdoors. I am going to Riggins for rafting and I’m not rafting just enjoying the company. Then off to the Huckleberry Festival in Wallace, ID. The end of the month brings the Studebaker Convention in Tacoma. Need to find a nice outing for Labor Day. Come to the meeting with your ideas. Sept. bring the sausage festival in Odessa. We have 2 ½ months left, get out and enjoy all there is to offer in the great Northwest. Joe, Tony & Vicki

## **SPECIAL OLYMPICS**

The State Madam President's project this year is SPECIAL OLYMPICS. The Washington state Special Olympics mission is "Special Olympics Washington BUILDS Communities and LEADS in Wellness through Sports and Inclusion". They do this through programming in sports, health, education and community building. Special Olympics is changing the lives of people with intellectual disabilities. Special Olympics is able to remove barriers and stigmas that people with intellectual disabilities face and to share with community the gifts and talents they possess. Everyone who comes in touch with Special Olympics is impacted in a way that helps them strive to achieve their personal best. The Spokane Auxiliary chairmen are Billie Sveska, Dolores Wilber and Marilou Lewis. We have some request in to the trustees to get approval for September events and have some other ideas for later in the year. Please support this very worthy cause.
