“In an effort to do our part to contain the spread of this virus Aerie 2 will remained closed until such time Health Officials deem it safe to reopen. In the meantime, we are taking this time to do some deep cleaning, sanitizing and decluttering.”

“On the following pages are some of the things that are planned once the Health Officials deem it safe to reopen. Please remember these are things that we are hoping to have for the month of April. There might be last minute changes so please check our web site aerie2.org or our face book page, **Eagles Aerie 2. We will also try to put up posters.”**

As we all are complying with the Governor's order to stay home and limit personal contact with everyone, I encourage members to get caught up on those sometimes-neglected spring projects. Why.... you may ask? Because, when we get the green light to return to our Eagle Aerie 2, organizing meetings to plan activities and resuming business will take work. We are " People Helping People". And Brothers! The Aerie is going to need a lot of help. During the rebuilding of our Club. In the last two years we've cleared some large debts. However, even without this State ordered closing, the Aerie had been struggling to pay the bills. It's time for vigilance, and true fraternalism to be shown by all members. I'm looking forward to continue working and socializing with everyone that has supported our Aerie and its Charities these last couple years. The Grand Aerie will be mailing your 2020-2021 Dues reminder. All members that can, please mail yours in. Stay Healthy.

Sincerely,
Worthy President, Kathy Brockman

Dear Sisters,
A great big welcome to new sisters Carlee Chase, Kristina Hoover, Ursula Jochim, Nancy Murray, Linda Mawson, Shelby Thorsen, and Debra Hoffman. We are praying daily that you and all our dear sisters are in good health and remain so. This pandemic is difficult to understand and our hearts go out to those families who are suffering because of it. One of the results of the pandemic is the cancellation of the planned visit from the Grand Madam President, which was to occur April 19. We are disappointed but of course realize that everyone's safety is of utmost importance. Hopefully our Lodge will be open shortly after you read this. When it is re-opened, we must all celebrate! You will be pleased to see the entire building sparkling from the deep cleaning that has been done! Our attendance at events will be needed to help support the Aerie. Your support has been WONDERFUL as our carpet fund goal has been met! I remind myself daily of the good life I have, despite the current restrictions. For the many blessings of my life I give thanks to God! Keep each other close in your hearts. Reach out to your sisters and brothers in this time of physical isolation so we need not feel isolated. Fondly and Fraternally Yours,
Madam President, Mikelyn Ward

From the Trustees....

As we enter April a good deal of uncertainty faces all of us. The Governors "social distancing" policy is currently scheduled to end on April 8th, but the trustees are certain this timeline will be extended. Based on "best guess," the earliest we will open is the end of April, and again that's "best guess." For those of you who were participating in Friday dance lessons, Glenn Braunstein is working on creating a "virtual" lesson site. When that becomes available, we will make sure you are all aware. There are questions about carpet replacement. Many want to know why we're not doing it while closed? Unfortunately, carpet has to be ordered from the manufacturer, and those folks are affected by Corona Virus like everyone else. Also, installation of carpet is not an essential job and even if product was available, could not be installed. We want all of you back, so please, practice "social distancing" and stay at home, help save a life. That life may be someone you care about!

Hello, everyone. I hope you are all staying safe. Let's hope our country gets healthy again, and we can return to our wonderful Eagles. If we are open, we will have our meeting on May 4th at 4:30. I hope everyone can be there so we can discuss our next year's charity and talk about officer elections in May. When we do reopen, I hope everyone will support our club as much as possible. See you all soon.
