Worthy President's Letter August 2022

It's time that I finally wrote a note or two, since I'm your new Aerie President.

Now it's August and the warm weather is upon us all. School is still out and getting in the pool or the lake is much fun. First you must use sun screen and lots of it.

If drinking alcohol is your thing, please be smart. Hot sun and drinking alcohol in large quantities really doesn't mix. Especially on a boat, when you're on the lake, or river.

On July 30th we just had our car show and open house, with Gents car club.

Even with our new price increase, we must support our club. Remember it's our club to support no matter what.

Frank Poteat.
