Hello Sisters,
I am Peggy Hagensen and I have been elected Madam President of Auxiliary #2 for the 2021-2022 year. This will be the third time I have served as your Auxiliary Madam President and I am looking forward to a good year. With the reopening of the State at the end of this month things are definitely looking up. This will give us renewed opportunity for fraternalism and growth. We will once again be able to spend time with family and loved ones. With summer here we can enjoy the great outdoors together.

The month of June starts with Auxiliary Installation of officers on June 1st at 5:00pm. Guests are welcome to attend the ceremony. It will be followed by our regular Auxiliary Meeting and initiation of new candidates at 7:00pm. June 2nd is free spaghetti night at the Aerie from 5:00 to 7:00pm. Donations are welcome. Hope to see you there. Prime Rib is back on June 4th with Ragtime music during dinner. Please come and support our club! On June 17th, 18th and 19th I, and several other Auxiliary Sisters, will be attending our State Annual Auxiliary meeting in Yakima. The Aerie State meeting is on June 18th and 19th also in Yakima. This is an abbreviated form, due to the Covid Pandemic, of what used to be our State Convention. This is open to all members. If you need more information about the Auxiliary Annual Meeting, please contact our Auxiliary Secretary, Marlene Schnell.

As always, we are looking for volunteers who would like to help us in our mission of "People Helping People" and raise money for the Charities we support. Volunteers are also needed to help at the Aerie as we reopen and get back to full operation. Please check your bulletin and our Aerie website for upcoming activities. Come to meetings, which are held on the 1st and 3rd Tuesday of each month, Aerie and Auxiliary at 7:00pm. Be informed and get involved.

I will leave you with a quote that I love. "Blessed are the women whose hearts and souls are joined together by laughter and tears for they shall be known as sisters".

Fraternally yours,
Peggy Hagensen
Auxiliary 2 Madam President

Fraternal Order of the Eagles: As members of the Fraternal Order of Eagles, did you know there is a website that will help you better know the history, news, activities, calendar and charity work of the Grand Aerie and other member clubs. I'd encourage spending some time at our national Eagles website to learn more about what's happening. By going to www.foe.com you will discover so much that is available to you but also so much more. Having the opportunity to visit, meet and talk with different Aeries' across the West Coast, I've been fascinated to learn how different dining areas are and how Trustees are managing financial operations. Take some time to educate yourself about what other clubs are doing in the U.S. and around the world. You will be surprised to find what other clubs are doing and how they are financially prospering. Each of the clubs have confronted financial expense issues and generated more funds to create club savings. Every Aerie that I have visited does not have hired employees but utilizes volunteer Eagle members as bartenders and servers? I've asked how difficult it is to find volunteer members to provide the services and they have said it is very easy. Financial budgeting and weekly management of funds has turned near closing Aeries' into successful operations.

2021 Convention: Want to have some fun this summer? This summer, join the Fraternal Order of Eagles in beautiful Phoenix, Arizona, for the 2021 International Convention from July 31st-August 5th. I will be attending this event and encouraging others to attend as it will be an incredible experience. As you review the convention events at www.foe.com/convention, you will see the details about the weeklong activities. The location of the convention is at the J.W. Marriott Desert Ridge in Phoenix and it's an incredible place. I hope to see you there!

Facts about FOE: As we all enjoy the company of each other at the Aerie, I've heard a few share inaccuracies or misrepresentations of the Grand Aerie for the Fraternal Order of the Eagles. I want to encourage fellow brothers to learn about it yourself but also understand there is nothing perfect about the Grand Aerie or Aerie 2. It's no secret that our Aerie has struggled during the past years and pointing the blame at those who are no longer here is really not productive but instead to focus on an operation of fiscal responsibility, staying open and earning back the Charter. If your learning doesn't give you the answers you are hoping to find, talk to Worthy President Kathy or ask our Grand Aerie Agent, Mike Simonds. Contact him at msimonds@foe.com. He is very approachable, is working diligently with the Trustees to fix the current issues and will honestly answer your questions.

Leadership: A Forbes article, by Kevin Cruse defines leadership "as the ability to plan, measure, monitor, coordinate, solve and many other things." The Officers and Trustees of Aerie 2 really need YOU, volunteers, to help the club succeed. Please ask how you can help and remember that your contributions are priceless and really make a difference! Remember...We are all equal members of the Fraternal Order of Eagles! Happy Father's Day (20th) to all our Dad's and Happy National Handshake Day (24th)! <https://www.forbes.com/sites/kevinkruse/2013/04/09/what-is-leadership/?sh=2b8355e05b90>
