

DATE: June 29, 2023
TO: The Membership – PH&L Community Association
FROM: The Board of Directors
RE: 2023/2024 Budget – Effective August 1, 2023

Each year the association's volunteer Board of Directors performs a very careful review of the past year's expenses and income to best project the amount to collect from each member in the upcoming fiscal year. When reviewing the budget, the Board considers several factors such as: recurring contract costs, inflation, utility usage and rates, insurance, and appropriate reserve contributions (savings) each month to pay for repair, restoration and/or replacement of common area components as needed.

As a result of this review, the Board has determined that effective August 1, 2023, the overall budget of the Association's expenses will require an increase to meet the association's financial needs in the upcoming fiscal year. The association's assessments are calculated on a variable assessment schedule which means our legal documents require some expenses be allocated differently based on unit size or type. This is called a "variable assessment" because the resulting assessment amount varies from unit to unit. Additionally, certain expenses are separated between the PH&L 'master' assessment, and the PH&L 'cost center' assessment. Cost center expenses are defined as those shared exclusively amongst loft units. A variable/lofts assessment schedule is included in this budget packet to show the amounts owed by each unit. Please review the schedule to determine your new assessment amount.

The Board of Directors reviewed this budget extensively. If you have any questions, we encourage you to contact our Community Manager, Crystal Valencia at Crystal.Valencia@fsresidential.com or 310-981-9923.

Therefore, the actual replacement cost and remaining life may vary from the reserve study and the variation may be significant. Additionally, inflation and other economic events may impact the reserve study, particularly over a 30-year period of time which could impact the accuracy of the reserve study and the funds available to meet the association's obligation for repair and/or replacement of major components during the next 30 years. Furthermore, severe weather conditions, earthquakes, floods or other acts of God, the occurrence of vandalism and other events that are difficult to anticipate cannot be accounted for and are excluded when assessing life expectancy of the components. PH&L COMMUNITY ASSOCIATION

DELINQUENT ASSESSMENT COLLECTION POLICY

Effective: JULY 2023

Prompt payment of assessments by all owners is critical to the financial health of the Association and to the enhancement of the property values of our Association. Your Board of Directors takes very seriously its obligation under the CC&R's and the California Civil Code to enforce the members' obligation to pay assessments. The Board has adopted this Collection Policy in an effort to discharge that obligation in a fair, consistent, and effective manner. Therefore, pursuant to the CC&R's and Civil Code, the following are the Association's assessment collection practices and policies:

- Regular monthly assessments are due and payable on the 1st day of each month. A courtesy billing statement is sent each month to the billing address on record with the Association. However, it is the owner of record's responsibility to pay each assessment in full each month regardless of whether a statement is received.
- All other assessments, including, but not limited to, Special Assessments, Reimbursement Assessments, Reconstruction Assessments, and Capital Improvement Assessments are due and payable on the date specified by the Board in the notice of assessment.
- Regular monthly assessments and all other assessments (as defined in Paragraph 2) are collectively referred to herein as "Assessments".
- Assessments, late charges, interest and collection costs, including any attorneys' fees, are the personal obligation of the owner of the property at the time the Assessment or other sums are levied.
- Unpaid Assessments are delinquent 15 days after they are due.
- A late charge of \$10.00 or 10%, whichever is greater, will be charged for any Assessment that is not received on or before the 15th day of the month, prior to the close of business.
- Interest on the balance due will accrue at a rate not to exceed 12% per annum; commencing thirty (30) days after the Assessment becomes due.
- At fifteen (15) days past due, the association may invite owner(s) to a hearing for the purpose of revoking membership privileges. Those privileges can include access to common areas or facilities, and/or services paid for by the association.
- When an Assessment becomes more than forty-five (45) days past due, the Association will send a validation notice to the billing address on record with the association. The owner will be charged a fee for the notice, as well as all costs to complete the transmittal of the notice. If an owner writes to dispute the amount owed or to request "original creditor" information within the validation period set forth in the notice, then the Association will cease collection of the debt, or any disputed portion of the debt, until the Association responds appropriately as required by law (see applicable consumer protection laws).
- When an Assessment becomes more than eighty (80) days past due, the Association will send an intent to lien/pre-lien letter to each owner, as required by the Civil Code, by certified mail to the owner's address of record. The owner will be charged a fee for the notice, as well as all costs to complete the transmittal of the letters

PH&L COMMUNITY ASSOCIATION

- If the owner fails to pay the amounts set forth in the intent to lien/pre-lien letter within 30 days of receipt of that letter, a lien for the amount of any delinquent Assessments, late charges, interest and/or costs of collection, including attorneys' fees, may be recorded against the owner's property. The owner will be charged a fee for the lien, as well as any processing fees, recording service, and costs. A copy of the lien will be sent to each owner at his/her address of record via certified mail within ten (10) days of recordation thereof. After the expiration of thirty (30) days following recordation of the lien, the lien may be enforced in any manner permitted by law.
 - Prior to the recording of a Board authorized lien for delinquent Assessments, an owner that is delinquent has the right to participate in internal dispute resolution ("IDR") pursuant to the "meet and confer" program in accordance with California Civil Code. Prior to recording a lien, the Board of Directors will approve such action by a majority vote of the Board of Directors.
 - Upon receipt of payment in full, that includes any late fees, interest, collection costs and/or attorneys' fees, a Release of Lien will be recorded. Copies of the Release of Lien will be sent to all owners of record. The owner will be charged a fee for the release, as well as any processing fees, recording service, and costs. All county recording fees are charged as applicable and as counties may charge from time to time.
- If an owner is delinquent for thirty (30) additional days after the Notice of Delinquent Assessment (Lien) has been recorded, the Assessment collection matter will be referred to the Association's attorney or collection agent, and the lien may be enforced by judicial or non-judicial foreclosure sale, or by money judgment at the Association's option. An actual foreclosure sale of an owner's property will not be conducted unless or until either; (a) the delinquent assessment amount totals One Thousand, Eight Hundred Dollars (\$1,800) or more, excluding accelerated assessments and specified late charges and/or fees; or (b) the assessments are delinquent for more than twelve (12) months. [You could lose ownership of your property if a foreclosure action is completed. You will be responsible for significant additional fees and costs, including attorneys' fees, if a foreclosure action is commenced against your property.] The decision to foreclose on a lien must be made by a majority of the Board of Directors in an Executive Session meeting and the Board of Directors must record their votes in the Minutes of the next open session Meeting of the Board. The Board must maintain the confidentiality of the delinquent owner(s) by identifying the matter in the Minutes by only the parcel number of the owner's property. Prior to initiating any foreclosure sale on a recorded lien, the Association shall offer delinquent owners the option of participating in IDR or Alternative Dispute Resolution ("ADR").
- Nothing herein limits or otherwise affects the Association's right to proceed in any other lawful manner to collect any delinquent sums owed to the Association.
- The Association will charge a processing fee to the owner for a returned check.
- Any owner who is unable to pay Assessments will be entitled to submit a written request for a payment plan to be considered by the Board of Directors. The Board of Directors is not required to approve a payment plan. If a payment plan is approved, the Board of Directors may establish the terms of the payment plan. A payment plan request or approved payment plan will not impede the Board's ability to vote for and record a lien.

NOTICE ASSESSMENTS AND FORECLOSURE

This notice outlines some of the rights and responsibilities of owners of property in common interest developments and the associations that manage them. Please refer to the sections of the Civil Code indicated for further information. A portion of the information in this notice applies only to liens recorded on or after January 1, 2003. You may wish to consult a lawyer if you dispute an assessment.

ASSESSMENTS AND FORECLOSURE

Assessments become delinquent 15 days after they are due, unless the governing documents provide for a longer time. The failure to pay association assessments may result in the loss of an owner's property through foreclosure. Foreclosure may occur either as a result of a court action, known as judicial foreclosure, or without court action, often referred to as nonjudicial foreclosure. For liens recorded on and after January 1, 2006, an association may not use judicial or nonjudicial foreclosure to enforce that lien if the amount of the delinquent assessments or dues, exclusive of any accelerated assessments, late charges, fees, attorney's fees, interest, and costs of collection, is less than one thousand eight hundred dollars (\$1,800). For delinquent assessments or dues in excess of one thousand eight hundred dollars (\$1,800) or more than 12 months delinquent, an association may use judicial or nonjudicial foreclosure subject to the conditions set forth in Article 3 (commencing with Section 5700) of Chapter 8 of Part 5 of Division 4 of the Civil Code. When using judicial or nonjudicial foreclosure, the association records a lien on the owner's property. The owner's property may be sold to satisfy the lien if the amounts secured by the lien are not paid. (Sections 5700 through 5720 of the Civil Code, inclusive)

In a judicial or nonjudicial foreclosure, the association may recover assessments, reasonable costs of collection, reasonable attorney's fees, late charges, and interest. The association may not use nonjudicial foreclosure to collect fines or penalties, except for costs to repair common area damaged by a member or a member's guests, if the governing documents provide for this. (Section 5725 of the Civil Code)

The association must comply with the requirements of Article 2 (commencing with Section 5650) of Chapter 8 of Part 5 of Division 4 of the Civil Code when collecting delinquent assessments. If the association fails to follow these requirements, it may not record a lien on the owner's property until it has satisfied those requirements. Any additional costs that result from satisfying the requirements are the responsibility of the association. (Section 5675 of the Civil Code)

At least 30 days prior to recording a lien on an owner's separate interest, the association must provide the owner of record with certain documents by certified mail, including a description of its collection and lien enforcement procedures and the method of calculating the amount. It must also provide an itemized statement of the charges owed by the owner. An owner has a right to review the association's records to verify the debt. (Section 5660 of the Civil Code)

If a lien is recorded against an owner's property in error, the person who recorded the lien is required to record a lien release within 21 days, and to provide an owner certain documents in this regard. (Section 5685 of the Civil Code)

PH&L COMMUNITY ASSOCIATION

The collection practices of the association may be governed by state and federal laws regarding fair debt collection. Penalties can be imposed for debt collection practices that violate these laws.

PAYMENTS

When an owner makes a payment, the owner may request a receipt, and the association is required to provide it. On the receipt, the association must indicate the date of payment and the person who received it. The association must inform owners of a mailing address for overnight payments. (Section 5655 of the Civil Code)

An owner may, but is not obligated to, pay under protest any disputed charge or sum levied by the association, including, but not limited to, an assessment, fine, penalty, late fee, collection cost, or monetary penalty imposed as a disciplinary measure, and by so doing, specifically reserve the right to contest the disputed charge or sum in court or otherwise.

An owner may dispute an assessment debt by submitting a written request for dispute resolution to the association as set forth in Article 2 (commencing with Section 5900) of Chapter 10 of Part 5 of Division 4 of the Civil Code. In addition, an association may not initiate a foreclosure without participating in alternative dispute resolution with a neutral third party as set forth in Article 3 (commencing with Section 5925) of Chapter 10 of Part 5 of Division 4 of the Civil Code, if so requested by the owner. Binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

An owner is not liable for charges, interest, and costs of collection, if it is established that the assessment was paid properly on time. (Section 5685 of the Civil Code)

MEETINGS AND PAYMENT PLANS

An owner of a separate interest that is not a time-share interest may request the association to consider a payment plan to satisfy a delinquent assessment. The association must inform owners of the standards for payment plans, if any exists. (Section 5665 of the Civil Code)

The board must meet with an owner who makes a proper written request for a meeting to discuss a payment plan when the owner has received a notice of a delinquent assessment. These payment plans must conform to the payment plan standards of the association, if they exist. (Section 5665 of the Civil Code).

ASSIGNMENT OF RENTS

In the event that the Association files any action against an Owner for unpaid Assessments on Owner's Unit, and said Unit is or becomes rented or leased at any time during the pendency of the action, the Association shall have the right, upon ex parte notice and application, to request that the Court order Owner to assign all rents due from the renter/lessor of said Unit to the Association until such time as all Assessment delinquencies are cured.

**AMENDED AND RESTATED
ASSOCIATION NEIGHBORHOOD GUIDELINES***

ADOPTED: June 24, 2013

INTRODUCTION

These Association Neighborhood Guidelines ("Rules") set forth the rules for all Owners and Occupants at Park Homes and Lofts. These Rules amend and restate in their entirety, and supersede, any earlier Association Neighborhood Guidelines related to the Community.

Each Owner remains responsible for the actions of its family members, tenant(s) and its and their guests, invitees, visitors and "Service Providers" (defined below). Therefore, it is important that all Owners review, understand and comply with these Rules. For clarification of any of the Rules set forth herein, please contact the association management company retained by the Association from time to time (the "Property Management Company").

These rules supplement certain rules and guidelines established in the Declaration, which shall be enforced as provided in these Rules. See, for example, Article II of the Declaration.

ENFORCEMENT OF GOVERNING DOCUMENTS

The Association has the responsibility and right to enforce compliance with the Rules set forth in this Handbook and the terms of any other Governing Document. Depending upon the severity and frequency of the violation and the violator, the choice of enforcement procedure(s) and/or the enforcement remedy utilized may vary.

Owners may report violations to the Association by submitting a written notice to the Property Management Company describing the violation in detail. Unless accompanied by a photograph clearly showing the type and location of a violation, all written notices require the signature of Owners of at least two different Condominiums. Similar notices will not be accepted from any Resident other than an Owner. Except for emergency situations, any Resident who is not an Owner who wishes to report a violation must coordinate such violation notice(s) through the Owner of its leased Condominium. The Property Management Company may also report any violations within the Property Management Company personnel's personal knowledge or as described to the Property Management Company personnel with personal knowledge of the violation.

Once the Association receives a written notice of a violation, the enforcement process may be started against the alleged violating Owner, as set forth below. However, nothing in this section shall obligate or require the Board, or any authorized committee, to take any such action.

Actions That May Be Taken By The Association. The Association may implement one or any combination of the following actions to address violations of and enforce the Governing Documents:

1. **Notice and Hearing.** At the time a violation is reported, action may be taken as follows:

(a) To the extent practical, the Property Management Company will verify the accuracy of the reporting. If deemed valid, the Property Management Company, on behalf of the Association, will provide a first written notice to the violating Owner. The first notice will contain a description of the violation, provide the corrective action and a timeframe in which the corrective action must be taken. The notice will also include instructions regarding responses to the violation notice.

If an allegation concerns a tenant, the first written notice will be addressed to the applicable Owner and, provided the Property Management Company has been provided appropriate contact information by the Owner, a copy will be sent to the accused tenant. Unless otherwise determined by the Board, all further communications and/or correspondence concerning corrective actions, hearings, charges, or fines will be addressed to the applicable Owner only. However, the Association shall have the right, but not the obligation, to deal directly with a tenant; therefore, the Board may send communications to both Owner and tenant as it deems appropriate. It is the Owner's responsibility to enforce compliance by its tenant(s) with any corrective actions promulgated by the Board.

*Section 4.2.6 of the Declaration provides the Board with the power to adopt, amend and repeal these Rules as it deems reasonable and provides the Association with the right to enforce these Rules. In the event of any conflict between these Rules and the Declaration or Bylaws, the Declaration and Bylaws shall prevail.

(b) If the violation continues or is repeated after the first written notice, a second written notice to request the Owner appear before the Board will be sent ("Notice of Hearing"). The Notice of Hearing will be delivered to the applicable Owner no less than ten (10) days prior to the date of the hearing. The notice shall include the date, time, and location of the hearing and the nature of the alleged violation. An Owner will be provided an opportunity to address the Board at the hearing. This process is referred to herein as "Notice and Hearing".

For any allegation of a continuing violation against a tenant, the applicable Owner must appear on behalf of its tenant. The accused tenant(s) may attend the hearing, however, such tenant may not speak or address the Board unless the Board asks the tenant to answer specific questions.

(c) At the hearing, the Board will allow the Owner to present evidence and testimony as reasonable under the circumstances. The Board may ask questions of any person present at the hearing providing evidence and the applicable Governing Documents will be reviewed, if necessary.

(d) After the hearing, the Board will deliberate and vote in executive session. The Owner will be notified of the Board's decision, in writing, within fifteen (15) business days after the hearing.

(e) If the Board concludes that the alleged violation occurred, the Board may impose monetary penalties, temporarily suspend voting privileges or take any other disciplinary action permitted under the Governing Documents. The Board may also concurrently refer the matter to the Association's legal counsel for further action. If a lawsuit is filed to correct a violation, the Owner may be liable for the Association's legal costs and fees as indicated below.

2. Enforcement Assessments. The Association may impose a special assessment to reimburse the Association for costs of repairing damage to the Association Property, to reimburse the Association for costs incurred in bringing the Owner's Condominium into compliance with the Governing Documents or to remove item(s) wrongfully left on or attached to Association Property, including, but not limited to, legal fees, upon Notice and Hearing as described above.

If the violation continues, the Association may request that a dispute be resolved through alternative dispute resolution procedures pursuant to California Civil Code Section 1369.510. Any costs incurred for the mediator or arbitrator are to be split among the parties.

Accordingly, the Property Management Company and Association personnel have the right to enter any Condominium to address such circumstances and such person(s) entering will not be liable to the Owner of the Condominium for any acts of trespass or any damage that could not reasonably be avoided. Additionally, depending on the severity and urgency of the circumstances, the Association may immediately take any appropriate legal action, such as obtaining a Temporary Restraining Order or any other applicable legal remedy.

8. Fines. The fine schedule for violations is established by the Board and is subject to change from time to time. The Board may enforce the collection of any fines or other charges through a special assessment or any legal action that is available to the Board and is deemed appropriate. Upon receipt of a written appeal, the Board shall stay the enforcement of any fine or imposition of any further fines until an appeal hearing has been concluded. Within **thirty (30) days** after a request for a hearing, the Board shall schedule an appeal at a time and date to be determined by the Board. The appeal hearing shall be conducted in an informal manner and such appealing Owner shall have the opportunity to present any information or evidence relevant to justify its Improvement or to have the applicable fine excused or mitigated. The decision of the Board rendered after such hearing shall be final.

Dispute Resolution Procedures: Alternative Dispute Resolution and Internal Dispute Resolution

ALTERNATIVE DISPUTE RESOLUTION

5925. As used in this article: (a) "Alternative dispute resolution" means mediation, arbitration, conciliation, or other non-judicial procedure that involves a neutral party in the decision-making process. The form of alternative dispute resolution chosen pursuant to this article may be binding or nonbinding, with the voluntary consent of the parties.

(b) "Enforcement action" means a civil action or proceeding, other than a cross-complaint, for any of the following purposes:

- (1) Enforcement of this title.
- (2) Enforcement of the Nonprofit Mutual Benefit Corporation Law (Part 3 commencing with Section 7110) of Division 2 of Title 1 of the Corporations Code).
- (3) Enforcement of the governing documents of a common interest development.

5930. (a) An association or an owner or a member of a common interest development may not file an enforcement action in the superior court unless the parties have endeavored to submit their dispute to alternative dispute resolution pursuant to this article.

(b) This section applies only to an enforcement action that is solely for declaratory, injunctive, or writ relief, or for that relief in conjunction with a claim for monetary damages not in excess of the jurisdictional limits stated in the Code of Civil.

(c) This section does not apply to a small claims action.

(d) Except as otherwise provided by law, this section does not apply to an assessment dispute.

5935. (a) Any party to a dispute may initiate the process required by serving on all other parties to the dispute a Request for Resolution. The Request for Resolution shall include all of the following:

- (1) A brief description of the dispute between the parties.
- (2) A request for alternative dispute resolution.

(3) A notice that the party receiving the Request for Resolution is required to respond within 30 days of receipt or the request will be deemed rejected.

(4) If the party on whom the request is served is the owner of a separate interest, a copy of this article.

(b) Service of the Request for Resolution shall be by personal delivery, first-class mail, express mail, facsimile transmission, or other means reasonably calculated to provide the party on whom the request is served actual notice of the request.

(c) A party on whom a Request for Resolution is served has 30 days following service to accept or reject the request. If a party does not accept the request within that period, the request is deemed rejected by the party.

5940. (a) If the party on whom a Request for Resolution is served accepts the request, the parties shall complete the alternative dispute resolution within 90 days after the party initiating the request receives the acceptance, unless this period is extended by written stipulation signed by both parties.

(b) Chapter 2 (commencing with Section 1115) of Division 9 of the Evidence Code applies to any form of alternative dispute resolution initiated by a Request for Resolution under this article, other than arbitration.

(c) The costs of the alternative dispute resolution shall be borne by the parties.

5945. If a Request for Resolution is served before the end of the applicable time limitation for commencing an enforcement action, the time limitation is tolled during the following periods:

(a) The period provided in Section 5935 for response to a Request for Resolution.

(b) If the Request for Resolution is accepted, the period provided by Section 5940 for completion of alternative dispute resolution, including any extension of time stipulated to by the parties pursuant to Section 5940.

5950. (a) At the time of commencement of an enforcement action, the party commencing the action shall file with the initial pleading a certificate stating that one or more of the following conditions is satisfied:

- (1) Alternative dispute resolution has been completed in compliance with this article.
- (2) One of the other parties to the dispute did not accept the terms offered for alternative dispute resolution.
- (3) Preliminary or temporary injunctive relief is necessary.

(b) Failure to file a certificate pursuant to subdivision (a) is grounds for a demurrer or a motion to strike unless the

court finds that dismissal of the action for failure to comply with this article would result in substantial prejudice to one of the parties.

5955. (a) After an enforcement action is commenced, on written stipulation of the parties, the matter may be referred to alternative dispute resolution. The referred action is stayed. During the stay, the action is not subject to the rules implementing subdivision (c) of Section 68603 of the Government Code.

(b) The costs of the alternative dispute resolution shall be borne by the parties.

5960. In an enforcement action in which fees and costs may be awarded pursuant to subdivision (c) of the court, in determining the amount of the award, may consider whether a party's refusal to participate in alternative dispute resolution before commencement of the action was reasonable.

5965. (a) An association shall annually provide its members a summary of the provisions of this article that specifically references this article. The summary shall include the following language:

"Failure of a member of the association to comply with the alternative dispute resolution requirements of the Civil Code may result in the loss of your right to sue the association or another member of the association regarding enforcement of the governing documents or the applicable law."

(b) The summary shall be provided either at the time the pro forma budget is distributed or in the manner prescribed in Section 5016 of the Corporations Code. The summary shall include a description of the association's internal dispute resolution process.
