Architectural IMPROVEMENT(S)	Start	// Finish// Floorplan:
	Archite	ectural IMPROVEMENT(S)

I/We understand that the proposed improvements may require a permit from the City/County Building Department or other government agencies and I/we will obtain all required permits before commencing any work. I/we also

understand that the Playa Vista Parks and Landscape Corporation Design Review Committee may also be required to review and approve the plans before construction can commence.

I/We assume the responsibility for any work, including conformity of completed improvements to the plans and specifications as approved by the Board or, if appointed, the Architectural Committee and the satisfaction of any time limitations for their completion as may be specified in conjunction with such approval under the above proposed modifications/improvements.

Further, I/we assume full responsibility for any work and that I/we or my contractor accomplishes which may, in the future, adversely affect adjacent properties and/or Association Property. I/We will assume responsibility for all future maintenance of this modification, addition, improvement and/or landscaping.
