BICYCLE PERMIT REQUEST FORM
TO BE COMPLETED BY THE UNIT OWNER

Bicycle storage racks are available in the designated storage room in the garage to store non-motorized bicycles of Residents. Residents must request a bicycle space from the Property Management Company and spaces are available on a first-come, first-served basis. One registration sticker will be issued for each assigned storage space. No more than two registration stickers will be available to any Condominium, except upon application to the Board and determination by the Board that there is sufficient space in the bicycle storage room to accommodate such request. The Resident will be required to register his/her bicycle with the Property Management Company, at which time a registration sticker will be issued to place on the bicycle. Do not remove this registration sticker at any time while utilizing the bicycle storage racks. Any bicycle found in the bicycle storage racks without a registration sticker and abandoned bicycles may be removed. The initial charge for a registration sticker and any replacement is \$15.00 each.
