OFFICE AND COLLECTION POLICIES

Office Visits: Office hours: Monday-Friday: 8:00am-5:00pm, closed for lunch 12:00pm-1:00pm

We request that you make appointments for all your visits and be aware of the office hours. Our philosophy is to provide you the highest quality care. Always bring a current list of all your medications with the exact dosages, to each office visit. We know that your time is as valuable as ours and we make every effort to keep our schedule on time. Please notify us in advance if you are unable to keep your appointment. Appointments not cancelled 24 hours in advance to the scheduled appointment time may be subject to a cancellation fee of \$25 per office visit. Extenuating circumstances will be taken into consideration. After three "No Shows" for your scheduled appointments, you will be considered noncompliant and qualify for termination from the practice.

Telephone Calls: Our staff will be happy to answer your questions about office policy and scheduling. A receptionist however does not answer calls before or after hours or during lunch. Medical questions will be referred to one of our experienced medical assistants or one of the doctors. During clinic a medical assistant is <u>NOT</u> available to speak with but will return messages as soon as possible. Extended phone consults or after hours and weekend calls resulting in telephone treatment may be billed a telephone visit from \$10.00-\$35.00.

After Hours Calls: All routine matters should be handled during regular office hours. If you believe your situation is critical, always go to an emergency room where the physicians there can assist you. Otherwise, call our office before going to the emergency room — many problems can be handled over the telephone.

Refill Request: Please contact your pharmacy for prescription refill requests. Each request may take 24-48 hours to complete. You will be notified if an appointment is required for a medication refill. A standard 90-day follow-up is required for certain prescriptions we choose to monitor.
