Book Description / Tagline	<i>Lead with Purpose. Inspire with Integrity. Manage with Excellence.</i> In <i>A Charge to Keep</i> , Rev. Taylor merges decades of leadership experience from both the corporate and ministry spheres, offering timeless principles for leading change, fostering stability, and building impact-driven organizations.
Key Themes / Topics	Leadership integrity, change management, financial stewardship, values-based decision-making, organizational resilience, integrating faith with executive roles
Ideal Audiences	Church leaders, nonprofit executives, social entrepreneurs, organizational leaders, aspiring faith-driven leaders
Advance / Endorsements	<i>"Rev. Taylor offers essential insight and practical knowledge for pastoring in today's climate. A must-read for every new pastor."</i> – Rev. Paul P. Martin, Esq. <i>"Pastor Taylor bridges the secular and sacred, challenging the church to move beyond mediocrity and embrace every skill as Kingdom work."</i> – Rev. Dr. Hugh B. Marriott, Supervisor, Eighth Episcopal District, AMEC <i>"A Charge to Keep sheds light on the complexities of leadership in both secular and sacred arenas. Taylor's principles are practical, replicable, and much-needed for today's church."</i> – Rev. Dr. Faye Banks Taylor, Pastor & Presiding Elder; Assistant Professor, New Brunswick Theological Seminary <i>"Taylor blends nonprofit and pastoral experience into clear, actionable strategies for leading with integrity. A must-read for leaders navigating tough decisions across sectors."</i> – Analiza Quiroz Wolf, CEO & Founder, Women of Color Rise; Author <i>"Kevin T. Taylor nails the critical gaps between church and business. This book challenges the status quo and affirms the value of bringing one's whole self to leadership."</i> – Brenda J. Curry, CEO, Curtom Building and Development Corporation <i>"A Charge to Keep provides field-tested leadership practices that deliver results. Whether novice or seasoned, every leader will find this book a worthy investment."</i> - Juliana Garaizar, Founding Partner, Energy Tech Nexus
