

# WAYS TO DONATE TO ZANIEZ

## MONETARY DONATIONS

Zaniez was created as a 501(c)(3) so that everyone could participate in revolutionizing education for kiddos on the Spectrum in a tax friendly manner and to ensure that the kiddos are the largest benefactors in every way. Zaniez is committed to providing a free education to every kiddo on the Spectrum that is suited for the program and to bring a sense of peace to the parents of our amazing kiddos, knowing that their kiddos are loved and cherished. In order for Zaniez to open and grow both horizontally and vertically, we need donations from the private, corporate, state and federal sectors. Please consider donating to Zaniez so that you can champion our adorable “gifts from God” and take part in a life changing revolutionary educational experience for kiddos on the Spectrum.

## SCHOOL DONATIONS

Zaniez will launch as a revolutionary school (Pre-K, Kindergarten and Elementary) for kiddos on the Autism Spectrum with the goal of vertically growing to include every level of elementary education through high school. Zaniez will gladly accept all school related items to include furniture (tables, chairs, cubbies, mats, bean bags, etc.), technology (computers, tablets, touch screen devices, software, etc.), musical instruments (piano, keyboard, guitar, etc.), books (interactive and traditional), toys, and anything else that you can dream up to donate to benefit our amazing kiddos.

We welcome professionals willing to donate their time to Zaniez in every discipline. The gift of time is the greatest individual gift, it takes a village.
