

# SINJEMBELA SAFARI

5 NIGHTS | 8 GUESTS | UNLIMITED FISHING

Step back in time and experience a classic fishing safari deep in the wild west of Zambia. For 29 years, we’ve explored this untamed region, and nothing compares to the raw beauty and prolific waters of the Kwando River. This exclusive October safari offers just five groups of eight guests a rare chance to fish and camp in one of Zambia’s most remote and untouched areas.

## DAY 1 - ARRIVAL

- Fly into Kasane, Botswana, where a private road transfer awaits to escort you to the Kamenga border post.
- Cross into Zambia, where our safari team welcomes you with a fully stocked cool box packed with ice-cold drinks.
- Arrive at Sinjembela Camp by evening, greeted with a gourmet 3-course dinner and the charm of the African bush.

*Road transfers arranged by Royal Barotse Safaris*
