

Minor daughter and zero help protecting her

As a father trying to protect my kids has been a failure. Watching Nicollet County, Blue Earth County, Fifth District court, Journeys, multiple law firms and so many more sit back and do nothing. All because you want to protect a mother.

I've added documents to this file. To this day nobody has been held accountable.

Nicollet County and Mike Rydeen

On May 9, 2018, I sent an email to Nicollet County worker Angela Obermiller asking for help. Sara Emich's boyfriend Mike Rydeen was saying and doing inappropriate things to our minor daughter Haily Little who was 16 years old.

On May 14, 2018, I received a letter from Nicollet County saying that they will not conduct an assessment.

A few days later at Owen's baseball game Sara Emich said did you really think Nicollet County would do anything about Mike and laughed.

I have audio of Haily Little talking about Mike Rydeen and what he does to her. On the audio Haily says I've told mom to have him stop and he hasn't. Haily also says at the end of the audio it's worse when Mike Rydeen drinks.

The first time I played the audio for my lawyer Jim Brandt, he said you can hear in Haily's voice how scared she is.

It's good to know that Nicollet County protects a mother who let's her boyfriend molest our daughter. And pats Sara Emich on the back and tells her she's a great mother. How is Sara Emich not in jail? And Mike Rydeen?

Hi Angela

My name is Landon Little. I'm looking for some help and I don't know who to turn to. I have three kids and they live with there mother. Her name is Sara Emich and she used to work at Nicollet County. Honestly I don't know who I can trust at Nicollet County without them running to Sara. Just a quick low down on the issues. Sara has a boyfriend named Mike and he has been saying inappropriate thing's to Haily our daughter. He tries hugging her a lot. Haily has told Sara that she wants him to stop and he hasn't. Haily is 16. My 8 year old son has also said he has seen and heard Mike do these things. There's a few more thing's I'm also concerned about. If you can't help I'll understand.

Thanks

Hi Landon. Yes I know Sara but don't have an ongoing relationship with her. And I am bound by privacy laws that limit what I can and can't say to people about what I do at work. In cases where there's allegations of child abuse, we can never release the name of a reporter. But if the county responds to something, it would include talking to Sara and the kids.

I am at a training in Fargo until Friday. I will have a few breaks and can try to call you or we could make arrangements to talk on Friday when I am back in the office. What is a good time for you for a phone call this week?

Nicollet County And Sara Emich

January 15, 2020, 11:30am at Nicollet County Building next to the courthouse. I had a sit-down meeting with Jay Link County Investigator, Michelle Fischer County Attorney, Tami Simonson Health and Human/ Financial Assistance Supervisor, Diane Diedrich Child Support/ Child Care/ Collections Supervisor and Cas she didn't say her last name, but I believe it was Cassandra Sassenberg County Services Director all worked for Nicollet County. Casandra took the spot for Angela Obermiller Child Protection/ Intake Supervisor. Conflict of interested from what I was told.

I'm not going to lie watching everyone look scared was interesting everyone but one. County Attorney Fischer. She did a great job acting I loved it. Fischer went off on Cas about not opening a file about Mike Rydeen molesting Haily.

I asked a few questions. Like cost effective reimbursement which I was told under specific circumstances someone could get. I think they meant special circumstances.

What's interesting is out of all of them not even one did anything after this meeting. They all knew about Mike Rydeen molesting Haily and DID NOTHING ABOUT IT.

If you need the audio from that meeting county attorney Fischer was the only one that had her phone on the table. Once again Sara Emich using people to get what she wants.

Read

Good morning,

My name is Landon Little, I am from St. Peter, Minnesota.

I am sending you this email to inform you of what is going on with Sara Emich, Blue Earth County and Nicollet County.

Sara Emich is the Blue Earth County Mental Health Center Supervisor.

Here are the facts:

10/13/2017 I received a letter from Nicollet County asking for my past paystubs for reimbursement for the cost of the insurance for all of the household members enrolled in Medical Assistance. It says Medical Insurance was approved. The letter was sent by Lisa Radloff. I never signed up for this. Sara Emich filed for Medical Assistance knowing it would start Child Support.

11/16/2017 County of Nicollet and Sara Emich Petitioner (S) vs Landon James Little Respondent (S)

Attorney for the County IV-D Agency

11/16/2017 Signed by Jennifer L Cooklock, Assistant County Attorney

In the child support packet it shows Sara Emich's monthly income received is \$6192.00.

\$35.75 per hour based on 40 hours per week

$\$35.75 / \text{hour} \times 40 \text{ hours/week} = \$1430 \times 4.33 \text{ weeks/month} = \6191.90

That's over \$74,000 a year. I looked up the Income and Assets Guidelines for Medical Insurance and I still don't understand how she received assistance. The mediator we had in May and my lawyer also did not understand this.

12/4/2017-On 12/4/2017 I met with my lawyer that morning to talk about Sara Emich leaving our youngest son [REDACTED] (who was 7 year's old at the time) home alone after school or school during closings. That morning I sent a text to Sara that my lawyer had written saying I wanted Jacob every day after school. A few hours later, Sara Emich filed a Harassment Restraining Order against me. We went to court and County Judicial Judge Allison Krehbiel threw out the case.

12/23/2017- I was served Child Support papers on 12/23/2017 (notice the date?) I was sent a text from a Nicollet County Worker telling me I was being served papers and asked if I could drive over to Mankato to meet and pick them up. I live in St Peter and was out of town at the time and told her I could meet her in St Peter. She delivered the paperwork at my apartment that night. Her first name was Lori and her # 5073407870. Is this how the County conducts their business?

Looking through some of the child support documents, I see a few thing's that are wrong:

#7 Landon James Little and Sara Marie Emich signed a Recognition of Parentage for the following joint child(ren):

[REDACTED]
Owen James Little

[REDACTED]
Haily Marie Little

[REDACTED]

But yet, I am told after leaving Sara in August that I had no custody of any of the kids. Yes, we were never married but together for more than 19.5 years. This needs to be fixed. I fought like hell to get to spend any time with my kids because Sara is a controlling person. But that's a different email and for the court.

#11 Sara Marie Emich's total monthly household expenses are \$ 3,800 for a household of 1 adult and 3 child(ren).

Now this is interesting to me. So, I went to Wells Fargo and pulled our joint checking account info and once again Sara lied.

#15 Sara Marie Emich receives Medical Assistance through MNSure

I work for the State Of Minnesota at the Minnesota State Hospital and have been covering all 3 kids since 2013. But yet, I was told my insurance wasn't good enough from Sara Emich and Lisa Radloff.

#21 Landon James Little basic support obligation according to the Minnesota child support guidelines is \$823.00 a month.

Sara made a lot more than me, but yet I'm paying her half my paychecks. Sounds fair right? Or is our system failing again and sinking a father who has been fighting for custody of his kids?

#26 Landon James Little health care coverage is appropriate, pursuant to the Minnesota statutes section 518A.41.

I was told it wasn't and that's why Sara Emich needed Medical Assistance

#31 From 09/01/2017 to 12/31/2017 Landon James Little has not contributed to the support of the joint child(ren)

The text from Sara thanking me for buying the kids school supplies and taking the kids shopping for school clothes isn't contributing? They also spent almost every weekend with me starting September 1 2017 so Sara could go out. I have kept all my receipts since I have moved out and can show that once again Sara Emich has lied.

5/9/2018 I sent an email to the Nicollet County worker Angela Obermiller asking for help saying I didn't know who to trust at Nicollet County. Sara's boyfriend, Mike Rydeen, was and is saying inappropriate things to our daughter Haily who was 16 year's old.

5/14/2018 I got a letter from Nicollet County saying based on the criteria, your report regarding Haily Little has been screened out.

In the audio from Haily talking about Mike Rydeen, Haily said she had told Sara that Haily wanted him to stop and he hasn't. I'm sorry but that's child endangerment on Sara Emich's part. What does Sara Emich do for a job again? Also, Haily now drinks with Mike and Sara and she's 17 years old. And yes, I can back this up.

6/1/2018 Sara called me at 130 a.m. after we just had mediation on 5/31/2018. She agreed to give me 50/50 and to drop child support. She said she didn't want to sink me anymore. Sara typed up an email to

both our lawyers saying she was going to give me 50/50 and drop child support. But it was all a lie to buy some time to collect more child support. Sara and I were at Luther College in July of 2018 with Owen ~~and~~ ^{when} Sara told me she needed the child support money so her and Mike could go on vacation.

7/13/2018-Our oldest child turned 18 year's old on 7/13/2018. Sara refused to go to court that week to drop Owen from child support. Owen was dropped from child support in August. I asked Nicollet County if I was going to get that money back and they just laughed and did not attempt to help me.

I strongly believe this system is broken.

I talked to Jay Link about a year ago about the Medical Assistance and nothing ever got done. Also, County attorney Michelle Fischer knows about Sara Emich receiving Medical Assistance.

As I have seen firsthand, I understand nobody will do anything from the County and hold people accountable for their actions. That's where I want to step in and handle this matter. What you need to know is everything I have against Sara Emich and the County is backed up. I do strongly believe Sara Emich committed two counts of fraud for Medical Assistance and child support. Also, child endangerment and trying to sink the father of our three kids. I was also physically abused for 17 years from Sara Emich which is backed up with police reports. (But I will save that for court).

The system we have in place favors people like Sara Emich and that needs to stop. I am telling my story to everyone to change this broken system. Fathers should not be treated like this by mothers like Sara Emich and the county.

I am open to sit down with anyone who has more questions.

Thank you for your time.

Landon James Little

How does Sara Emich get away with all of this? Let's remember I have turned all these exhibits into the Fifth District Court so many times and nothing ever happens.

No doubt I can't get a fair hearing in the Fifth District Court and not to mention Nicollet County who does everything to protect Sara Emich and Mike Rydeen.

I would love for someone to explain to me how and why Sara Emich is untouchable.

FYI the Fifth District Court has audio from when Haily Little my daughter who was a minor at the time talking about Mike Rydeen.

Sara Emich keeps taking me to court and wasting my time and money. I've spent a lot of money at the courthouse in Nicollet County. On 5/9/2022 I sent an email to Nicollet County courthouse asking about getting the transcript from the hearing on 5/5/2022 and received an email back saying it's over \$675 dollars. I did talk to a very helpful lady at the Minnesota Judicial Branch law library for a fee waiver paperwork. I'm guessing it will get denied just like the harassment one did in July 2019.

Let me know if you need anymore documents or would like any more information.

Thanks

Landon Little

Hello

After our meeting I went over what we talked about. The one thing that keeps popping up is when I would ask a question to Journeys Sara would sometimes answer it. That shows me just HOW much Sara is controlling Haily's therapy.

It's clear to see Journeys is not the right fit for Haily. Journeys reputation is not doing to well after Stephanie's stuff with the intern. Sara told me Stephanie was gone because she was pregnant and didn't come back that was a good lie on Sara's part but really it goes to show Sara lies and honestly she sucks at it.

So that leads us to Sara saying in the meeting that I didn't say anything to Haily on her birthday, spending Christmas eve with her and Haily talking about Mike. So I added the text FYI look at the date and time, a picture from this year's Christmas eve and the audio from Haily talking about Mike.

Journeys needs to call Preferred One at 18009971750 and talk about what's going on with the co pays. Thing's aren't matching up from Sara's receipts and my paperwork from Preferred. Also I need a list of dates Haily missed or switched her sessions.

In closing I do not want Haily to go to Journeys anymore and it's pretty obvious why. I am filing a complaint on Journeys and I have enough to prove my reasoning.

Thanks Landon Little

Landon,

Thank you for your feedback.

As I mentioned during our meeting there is a reason that Stephanie is no longer at Journeys as you have now found out for yourself. Sara was not lying to you based on the information she was given. The information that she gave you was what was communicated to clients as it is illegal for us to share specific additional information about the situation prior to the ruling of the licensing board.

Thank you for sharing the audio and pictures, we appreciate it as this provides further information into the complexity of the family dynamics.

As of this point the insurance situation has been taken care of and things are straightened out. If you need more information regarding this please contact our Admin Director Melanie Woller. I am also wondering how it would benefit

Sick

Ok so this situation happened right after Haily talked about Mike Rydeen saying and doing things to Haily. This is absolutely sick.

April 21, 2018, Sara Emich tried making Haily go spend the night in the cities. Haily said that Mike Rydeen told her that he was going to take Sara and Haily to a hotel in the cities. Mike Rydeen told Haily that Sara Emich was going to go shopping and Haily and Mike were going to go swimming. This is backed up with an email from Sara Emich saying that I wreck her plan. What plan? The plan for your boyfriend at the time now husband to molest our minor daughter. Blue Earth County Mental Health Supervisor at the time SARA EMICH ladies and gentlemen. How is Sara Emich and Mike Rydeen not in jail?

So many more emails, text and audio of Sara Emich of lying, slander and telling the kids and everyone else lies about me. And yet everyone pats Sara Emich on the back like she's the mother of the year. Absolutely just sick. I'm disappointed

Hi Landon,

I ran a quick background search on Mike. ~~Nothing significant.~~ He's divorced and has a number of driving offenses, 1 DWI back in 2012. No assault, drug, sexual, or other scary things on his record, which is good news. His behavior is still concerning

Did you know that Haily is seeing a therapist at Journeys Toward Healing? Her name is Stephanie Schwab. She is a talk therapist, not just a medication prescriber. I know when you & I have discussed this issue before it wasn't really clear to me which type of therapist she was seeing. Now we know for sure. Have you had any contact with Stephanie the therapist? Do you know if Haily has discussed her feelings about Mike's behavior with Stephanie yet? Let me know so I can keep in contact with Sara's attorney to work through this issue. Thanks.

USB Flash Drive

On this flash drive you will hear audio of my meeting with Sara Emich and Journeys. Sara Emich told everyone that I acted out and went off on everyone and threatened them all.

Audio was from February 13, 2019, at Journeys also notice how much Sara Emich lied in that meeting and how loud and defensive Sara Emich got.

Exhibit 86 to 86.4 talks about this meeting and how much Sara Emich has lied and controlled Haily's therapy.

On this flash drive you will hear my conversation with Haily on Mike Rydeen. When Jim Brandt and I listened to this together Jim was in shock. Exhibit 26,27 goes to show just how deep this goes.

Let's remember in the meeting with Journeys Sara Emich said I made all of this up about Mike Rydeen. It's on the audio of Sara saying that. Little did Sara Emich know I have audio in which Haily did not know about and I'm guessing even to this day she doesn't. Let's not forget about the email Sara Emich sent saying I wreck Mike and Sara's weekend when they wanted to JUST TAKE HAILY TO THE HOTEL. Mike Rydeen telling Haily that Sara was going to go shopping and Mike and Haily would go swimming alone. Sara Emich using Haily in some of the worst ways. Justice needs to be served period

Fifth District Court System Protecting Sara Emich

I've added documents showing just how I can't get a fair trial in the Fifth District Court in Nicollet County.

I mean every time I go into court Sara Emich lies under oath and submits false documents. And gets away with it.

I mean the fact that judge Allison Krehbiel knows Sara Emich very well. Add the fact that judge Krehbiel knows everything and still doesn't do anything about it hurts. I guess I go to the wrong church.

And judge Krehbiel isn't the only one protecting Sara Emich from the fifth district. Add Court Administrator Carol Weikle.

On May 9, 2022, I sent an email asking for the transcripts from the May 5th Court hearing. The same day I received an email back saying it was going to cost \$661.25 to get the transcripts. I emailed back saying I was going to turn in a fee waiver for the transcripts. I received a letter from Carol Weikle saying I didn't get the fee waiver, and I was not aloud to get the transcripts yet. Every lawyer I have talked to says they have never seen transcripts cost that much. I reply no it's just the price for Landon Little.

July 21, 2022, I sent an email to the Fifth District Count in Nicollet County submitting 4 fee waivers for transcripts. Still no word on the transcripts and let's be honest there's no way the court system wants me to have them.

I mean I get it 100% the court system is protecting Sara Emich and the Nicollet County workers who are involved with everything. Once again, the court system in Nicollet County has let me along with me kids down all because they want to protect Sara Emich.

I added the notes from the court hearings. It's sad to see the Fifth District supports women and mothers like Sara Emich and absolutely punish good fathers such as myself. But most of all it's sad to watch the court system punish the kids.
