

Medical Assistance Fraud

Here is what we know. In August 2017 Sara Emich applied for medical assistance knowing that it would start a child support case against me.

Documents from Nicollet County Human Services case number 1054374 shows Sara Emich's Net income was \$5677.00 a month. Those dates are 06/01/2017 to 11/30/2017. Total six-month income \$34,062 and a six-month income standard of \$34,395.

If I remember right Sara Emich gets 1 of 2 raises in July and the other coming in January. Did Sara Emich get a raise in July 2017? Also, back in 2014/2015 Sara Emich while working at Blue Earth County was also working at Sibley County. I remember Sara's checks from Sibley County being over \$2,000 with no taxes being taken out. Did Sara Emich have other income coming in she wasn't providing when getting Medical Assistance?

Case Number 52-FA-17-801 child support guidelines worksheet page 1 shows Sara Emich's monthly income received was \$6,192.00. Date from 09/01/2017 to 12/31/2017. I find it ingesting that this document doesn't show July. On the last document it went back to June 2017. But this time they didn't. Is it because Sara Emich got a raise in July 2017?

Here is where things get interesting. Finding of the facts for child support dated and signed on 1/25/2018 # 18 Sara Emich receives Medical Assistance through MnSure. # 20 Sara Emich hourly wage is \$35.75 per hour.

So, Nicollet County along with Sara Emich is saying between 6/2017 to 1/25/2018 Sara Emich never got a raise. But hold on. In the Agreement Between County of Blue Earth and The American Federation Of State, County, And Municipal Employees Minnesota Council NO. 65 it says in

Article 22 under wages that a 2.5% wage increase shall be applied to wage schedule effective Jan 1.

Let's talk about that raise Sara Emich got on Jan 1, 2018. Financial statement on page 2 #14 Sara Emich hourly wage was now \$36.47. A 72 cent raise in which a statement from Sara Emich in court and on documents Sara Emich said she made too much for Medical Assistance. 72 cents interesting.

So, Sara Emich got her raise Jan 1, 2018, but medical assistance didn't get canceled until March 2018. You have 10 days to notify the county in change of wages. I'm going to go ahead and say that didn't happen.

Alright let's get to some other points. In a court document that Sara Emich submitted Sara says her modified gross annual income was \$67,271.78 which was 277.8% of the poverty guidelines, which was within a 3% grace period.

Here is the best part Sara Emich says the income guidelines for a family of 4 is annually \$69,025 for 7/1/2018 to 6/30/2019. My exhibit 36 shows the chart for medical assistance guidelines from 7/1/2017 to 6/30/2018. A family of 4 monthly is \$4,101 and annually \$49,212. 200% FPG.

I'm confused on how Sara Emich got medical assistance. Until it all started to come together and make sense. Fraud

See Sara Emich knew the moment she signed up for medical assistance it would start a case for child support. Sara Emich for a few years was a social worker at Nicollet County before becoming the Mental Health supervisor at Blue Earth County. Sara Emich has her friends at Nicollet County, and they would do anything to help and protect her. Oh, wait it gets better.

We now can add corruption along with fraud.

Let's start with the letter from October 13, 2017, from Lisa Radloff from Nicollet County saying that my request for cost effective health insurance reimbursement was approved for medical insurance for my kids. I never signed a document. I worked for the state and had the kids under my insurance. Who signed my name? Plus, I was going to be paying child support so that can't work. Whenever Sara Emich would use the medical assistance over my insurance for the kids guess who paid for it. Yep, I did. So, I was paying Sara Emich \$823 a month for child support, paying for the kids' insurance under my work and paying the county back for Sara Emich using medical assistance. Seems about right.

On May 24, 2019, I sent an email to the directors and board members of Nicollet County and Blue Earth County. You want to talk about corruption and fraud at its finest you must read this email. Not a single person said or did anything about any of this. It's sad because kids are involved. But I get it the county must protect Sara Emich they are already into deep at this point.

It's mind blowing to see how many people that protected Sara Emich. After the harassment hearing I knew just how high corruption and fraud had hit.

Judge Krehbiel from the fifth district court in Nicollet County. I kid you not the judge has done everything to protect Sara Emich. I haven't even gotten to the court hearings for child custody which shows judge Krehbiel has her hand big time with corruption and fraud.

As you can see in the paperwork at the end of the binder just how much corruption and fraud I have had to deal with. And that's not even all of it.

As a father of three kids all with Sara Emich it hasn't been easy. I dealt with over 20 years of Sara Emich controlling and 17 years of being physically abused by Sara Emich. I watched as Sara Emich along with Nicollet County try to financially sink me and kill me off as a father. Sara Emich made double of what I made for income, but I paid her \$823 in child support. Sara Emich did whatever she could to make sure I didn't get my parent rights. Sara Emich cares about three things herself, control and money. Sara Emich will use whoever to get what she wants.

I want justice not just for me but for my kids also. They see what Sara Emich has done and thinks it's ok because she gets away with it. I wasn't raised that way. How can someone like Sara Emich control so many people? To say I have more than enough evidence to show the corruption and fraud that goes on in Nicollet County and Blue Earth County is a under statement. I can't go to the state because they will do nothing.

I'm hoping you are willing to sit down and talk to me about everything.

Thanks

Medical Assistance Fraud

Since day one I've have screamed FRAUD. Every time we go into court, I prove that Sara Emich has committed fraud. Once again, I will prove that Nicollet County and Sara Emich committed fraud. I Landon Little had state insurance on all 3 kids. I worked at the Minnesota State Hospital. Sara Emich filed for Medical Assistance knowing it would start child support. And let's not forget Nicollet County is known for its fraud.

Text 9/12/2017 from Sara Emich talking about Medical Assistance and how you get reimbursed for some or all the monthly premiums. Makes you wonder how much money Sara Emich got back.

Text 9/29/2017 from Sara Emich saying that Lisa R has everything from Sara Emich. And that I need to turn in my paystubs for work. Makes you wonder what the plan really was. I was about to get served child support paperwork. Sara Emich pushed hard for me to sign this paperwork. Maybe because Sara Emich signed me up for medical assistance without my approval.

Text 10/12/2017 from Sara Emich saying that I have cost effective health insurance. Wait what I never signed any paperwork, nor did I ever want medical assistance. FRAUD?

Medical Assistance Fraud

In the next few pages, I'm going to prove that Sara Emich and Nicollet County committed fraud. Sara Emich was a social worker for Nicollet County for a few years before becoming a Mental Health Supervisor at Blue Earth County. I do want to mention that in the article from the Free Press on July 27, 2021, about charges against former county employees dismissed for receiving public assistance that the defense provided documents showing there was 18 other cases in which the county gave funds to people who exceeded the income guideline. So once again Nicollet County is deep into fraud.

On October 13, 2017, I received a letter saying my request for Cost Effective Health Insurance Reimbursement was approved for Medical Assistance for the kids. HUGE QUESTION I never signed up for Medical Assistance. How can I have medical assistance without signing up? And who filled out the info that was needed to get medical assistance. I know I didn't? Also, who signed my name? FRAUD FRAUD FRAUD AND FRAUD as I see it someone is in a lot of trouble.

Medical Assistance Fraud

Child support guidelines worksheet from Nicollet County shows how much Sara Emich made as the Mental Health Supervisor. Begin date 09/01/2017 to 12/31/2017.

On this page of the worksheet on #15 it says Sara Emich receives Medical Assistance through MNSure.

17 says Sara Emich monthly income received is \$6192.00. Said income was determined by

Hourly wage of \$35.75 per hour, based on 40 hours per week.

Said income was calculated as follows:

$\$35.75/\text{hour} \times 40 \text{ hours/weeks} = \$1430.00 \times 4.33 \text{ weeks/month} = \6191.00

Let's do the math on this $\$6191 \times 12 \text{ month} = \$74,292$ a year.

In a court document Sara Emich had during her Harassment Sara Emich said she talked to Tami Simonson financial worker for Nicollet County and received the following information. The kids MA opened retro June 2017. Sara's modified gross annual income was \$67,271.78 which was 277.8% of the poverty guideline. Which was 3% grace period.

Medical Assistance Documentation

The Medical Assistance case was MA for the kids only, not myself. 10/8/18, I called Tami Simonson, financial worker and received the following information. The kids MA opened retro to June 2017. My modified gross annual income was 67,271.78, which was 277.8% of the poverty guideline, which was within the 3% grace period, therefore the kids qualified for MA. In Jan 2018 I received a cost of living raise and per MA program guidelines, I reported the raise to the financial worker. My modified gross annual income was \$69,788.34, which was 283%, which was over the limit. The MA case was closed in March 2018 as I was over income. Taking it from another view, the income guidelines for a family of 4 is annually \$69,025 for 7/1/18-6/30/19, so you can see the MA income guidelines are high for a public assistance program. There is a release on file and Landon can and has called the financial worker. This has been an ongoing issue of Landon's. He also says he reported fraud to Michelle Zender Fisher and the State Attorney's Office. That's fine with me. I've cooperated with all program rules and accurately and honestly reported income. I've not been contacted for any fraud investigation.

Medical Assistance Fraud

In Sara Emich's court document for harassment Sara says the kid's medical assistance was opened retro to June 2017. Did Sara Emich get a raise in July 2017? Like a step raise for the county not the cost of living raise Sara Emich got on January 1, 2018.

Sara Emich states in the court document for the harassment case on July 8, 2019, that Sara Emich reported that she in January 2018 she received a cost of living raise and per MA program guidelines Sara reported her raise. Sara Emich states her modified gross annual income was \$69,788.34 which was 283%, which was over the limit.

Ok so now I have a few questions. First off Sara Emich not only got a cost of living raise but also got \$823 for child support from me a month which also needed to be added for income to medical assistance. Sara Emich received medical assistance until March of 2018. HOW? You have ten days to let the county know about any change in wages or income.

HERE IS THE BEST PART

Sara Emich's raise in January for cost of living was 72 cents. 72 cents put Sara Emich over the limit for medical assistance.

$\$36.74 \times 40 = \$1458.80 \times 4.33 = \$6316 \times 12 \text{ months} = \$75,792 \text{ a year.}$
And let's not forget another \$823 a month for child support.

Medical Assistance And Child Support

Finding of the Facts court paperwork 11/27/2017

\$35.75 Per Hour Sara Emich made

$\$35.75 \times 40 = \$1,430 \times 4.33 = \$6191.90 \times 12 = \$74,304$

Finding of the Facts court paperwork 7/31/2018

\$36.47 Per Hour Sara Emich made

$\$36.47 \times 40 = 1458.80 \times 4.33 = \$6316 \times 12 = \$75,792$

On May 31 2018 Sara Emich told the mediator at Kennedy and Kennedy law firm that Medical Assistance got dropped in March of 2018 because Sara Emich got a raise. Sara Emich got a 72 cent raise. I'm guessing she got that on Jan 1 2018 when the county gets there raise. One other thing to note is Sara Emich started to get child support from me Landon Little Jan 1 2018 which was \$823 a month. Nicollet County told me Sara Emich would have had to claim that for Medical Assistance but did she?

July 8, 2019, Harassment BY Sara Emich

This Harassment was filed by Sara Emich after I sent an Email to the Nicollet County and Blue Earth County directors and county board members. I had questions that weren't getting answered. I figured someone could answer them.

On May 24, 2019, I sent an email asking how Sara Emich was getting away with medical assistance fraud, child support fraud I even showed Sara Emich's income. I also asked how Sara Emich could be leaving our 7-year-old son home alone for hours. I asked about the social worker who served me child support paperwork and if that's how the county does it that way. I asked how Sara Emich got away with child endangerment when it came to Mike Rydeen doing and saying things to our minor daughter. And how Nicollet County didn't do anything about it. I stated that I talked to Jay Link and Michelle Fischer from Nicollet County, and they did nothing about it. I talked about how Sara Emich is backed by Nicollet County. I talked about the system being broken and even offered to sit down and hear what they had to say. No one even responded

Good morning,

My name is Landon Little, I am from St. Peter, Minnesota.

I am sending you this email to inform you of what is going on with Sara Emich, Blue Earth County and Nicollet County.

Sara Emich is the Blue Earth County Mental Health Center Supervisor.

Here are the facts:

10/13/2017 I received a letter from Nicollet County asking for my past paystubs for reimbursement for the cost of the insurance for all of the household members enrolled in Medical Assistance. It says Medical Insurance was approved. The letter was sent by Lisa Radloff. I never signed up for this. Sara Emich filed for Medical Assistance knowing it would start Child Support.

11/16/2017 County of Nicollet and Sara Emich Petitioner (S) vs Landon James Little Respondent (S)

Attorney for the County IV-D Agency

11/16/2017 Signed by Jennifer L Cooklock, Assistant County Attorney

In the child support packet it shows Sara Emich's monthly income received is \$6192.00.

\$35.75 per hour based on 40 hours per week

$\$35.75 / \text{hour} \times 40 \text{ hours/week} = \$1430 \times 4.33 \text{ weeks/month} = \6191.90

That's over \$74,000 a year. I looked up the Income and Assets Guidelines for Medical Insurance and I still don't understand how she received assistance. The mediator we had in May and my lawyer also did not understand this.

12/4/2017-On 12/4/2017 I met with my lawyer that morning to talk about Sara Emich leaving our youngest son Jacob Little (who was 7 year's old at the time) home alone after school or school during closings. That morning I sent a text to Sara that my lawyer had written saying I wanted Jacob every day after school. A few hours later, Sara Emich filed a Harassment Restraining Order against me. We went to court and County Judicial Judge Allison Krehbiel threw out the case.

12/23/2017- I was served Child Support papers on 12/23/2017 (notice the date?) I was sent a text from a Nicollet County Worker telling me I was being served papers and asked if I could drive over to Mankato to meet and pick them up. I live in St Peter and was out of town at the time and told her I could meet her in St Peter. She delivered the paperwork at my apartment that night. Her first name was Lori and her # 5073407870. Is this how the County conducts their business?

Looking through some of the child support documents, I see a few things that are wrong:

#7 Landon James Little and Sara Marie Emich signed a Recognition of Parentage for the following joint child(ren):

Owen James Little

Haily Marie Little

Jacob James Little

But yet, I am told after leaving Sara in August that I had no custody of any of the kids. Yes, we were never married but together for more than 19.5 years. This needs to be fixed. I fought like hell to get to spend any time with my kids because Sara is a controlling person. But that's a different email and for the court.

#11 Sara Marie Emich's total monthly household expenses are \$ 3,800 for a household of 1 adult and 3 child(ren).

Now this is interesting to me. So, I went to Wells Fargo and pulled our joint checking account info and once again Sara lied.

#15 Sara Marie Emich receives Medical Assistance through MNSure

I work for the State Of Minnesota at the Minnesota State Hospital and have been covering all 3 kids since 2013. But yet, I was told my insurance wasn't good enough from Sara Emich and Lisa Radloff.

#21 Landon James Little basic support obligation according to the Minnesota child support guidelines is \$823.00 a month.

Sara made a lot more than me, but yet I'm paying her half my paychecks. Sounds fair right? Or is our system failing again and sinking a father who has been fighting for custody of his kids?

#26 Landon James Little health care coverage is appropriate, pursuant to the Minnesota statutes section 518A.41.

I was told it wasn't and that's why Sara Emich needed Medical Assistance

#31 From 09/01/2017 to 12/31/2017 Landon James Little has not contributed to the support of the joint child(ren)

The text from Sara thanking me for buying the kids school supplies and taking the kids shopping for school clothes isn't contributing? They also spent almost every weekend with me starting September 1 2017 so Sara could go out. I have kept all my receipts since I have moved out and can show that once again Sara Emich has lied.

5/9/2018 I sent an email to the Nicollet County worker Angela Obermiller asking for help saying I didn't know who to trust at Nicollet County. Sara's boyfriend, Mike Rydeen, was and is saying inappropriate thing's to our daughter Haily who was 16 year's old.

5/14/2018 I got a letter from Nicollet County saying based on the criteria, your report regarding Haily Little has been screened out.

In the audio from Haily talking about Mike Rydeen, Haily said she had told Sara that Haily wanted him to stop and he hasn't. I'm sorry but that's child endangerment on Sara Emich's part. What does Sara Emich do for a job again? Also, Haily now drinks with Mike and Sara and she's 17 years old. And yes, I can back this up.

6/1/2018 Sara called me at 130 a.m. after we just had mediation on 5/31/2018. She agreed to give me 50/50 and to drop child support. She said she didn't want to sink me anymore. Sara typed up an email to

EXHIBIT

60

both our lawyers saying she was going to give me 50/50 and drop child support. But it was all a lie to buy some time to collect more child support. Sara and I were at Luther College in July of 2018 with Owen *when* and Sara told me she needed the child support money so her and Mike could go on vacation.

7/13/2018-Our oldest child turned 18 year's old on 7/13/2018. Sara refused to go to court that week to drop Owen from child support. Owen was dropped from child support in August. I asked Nicollet County if I was going to get that money back and they just laughed and did not attempt to help me.

I strongly believe this system is broken.

I talked to Jay Link about a year ago about the Medical Assistance and nothing ever got done. Also, County attorney Michelle Fischer knows about Sara Emich receiving Medical Assistance.

As I have seen firsthand, I understand nobody will do anything from the County and hold people accountable for their actions. That's where I want to step in and handle this matter. What you need to know is everything I have against Sara Emich and the County is backed up. I do strongly believe Sara Emich committed two counts of fraud for Medical Assistance and child support. Also, child endangerment and trying to sink the father of our three kids. I was also physically abused for 17 years from Sara Emich which is backed up with police reports. (But I will save that for court).

The system we have in place favors people like Sara Emich and that needs to stop. I am telling my story to everyone to change this broken system. Fathers should not be treated like this by mothers like Sara Emich and the county.

I am open to sit down with anyone who has more questions.

Thank you for your time.

Harassment July 8, 2019, Filed By Sara Emich

Once again Sara Emich filed false documents in the harassment. Judge Krehbiel you told me during that hearing that those documents didn't matter that it was the email I sent to the county was the main reason for the harassment. Ok so the fact that nobody responded back from the county tells me this. Sara Emich was protected by both Nicollet and Blue Earth County. I mean Sara Emich kept her job as a Mental Health Supervisor with Blue Earth County even after proving everything Sara Emich has done.

The one thing I'm most disappointed in that hearing was you Judge Krehbiel agreeing with Sara Emich on the October police report from 2005 that Sara Emich has assaulted me, and Sara Emich said it was fake. That one hurt but I get it Sara Emich had to keep that off the record or else she would lose her job.

After Sara Emich won her harassment, I had a few people tell me some facts about Sara Emich and First Lutheran Church where Sara Emich went to church. I was told by a board member that Sara Emich had gone and talked to the board members of the church and said that I abused Sara Emich for years. Which was a lie. I also was told that you Judge Krehbiel was a church member at that church. Which I didn't know about. Once again Sara Emich used whoever to get what she wants. Sara Emich now lying to board members of a church.

Nicollet County And Sara Emich

On October 26, 2018, I sent an email to Nicollet County director Mr. Krosch. Asking a question about Sara Emich getting medical assistance.

I stated in my email that I talked to Jay Link Nicollet County Fraud Investigator and tried to get ahold of Nicollet County attorney Michelle Fischer but was unable to.

November 5, 2018, Mr. Krosch apologized for the delay and would follow up on my email. That never happened.

FYI Sara Emich knew I sent this email and didn't care but the one I sent to Blue Earth County Sara Emich cared about. Makes you think doesn't it. Sara Emich knew Nicollet County had her back.

November 6, 2018, Nicollet County attorney Michelle Fischer sent an email to my lawyer at the time Jim Brandt.

I have a question why is Michelle Fischer talking to Jim Brandt? No where did I put in an email that I had a lawyer, nor did I mention Jim Brandt's name? County attorney also says I should talk to Jay Link County investigator which I stated in my email to the director that I already did.

OH WAIT IT GETS BETTER

Mr. Krosch-I would like to bring a situation with Nicollet County to your attention.

I am currently in the middle of a custody dispute with the mother of my children. She works for Blue Earth County as a Mental Health Center Supervisor. Prior to that, she was a Social worker for Nicollet County.

A year ago when we started this custody process, she was able to file for Medical Assistance through Nicollet County and she received it. I was confused by this as she makes a fairly high salary. Also, I work for the State of Minnesota and the children were already covered under my insurance. Around April of 2018, she dropped the medical assistance.

I tried to look into this situation by contacting Jay Link at Nicollet County and him and I talked. I then tried to contact Michelle Fischer several times by phone, and my calls were never answered and messages never returned.

This whole situation makes me feel uneasy and my trust is very low for Nicollet county. It's frustrating that I cannot get answers as to why someone at her salary was able to receive medical assistance.

I was referred to you and am hoping you could help me.

Please let me know if you have any questions.

Thank you,

Landon Little

Nicollet County And Sara Emich

December 14, 2019, I sent an email to Nicollet County Health and Human and Financial Assistance Supervisor Tami Simonson asking to sit down to have a meeting to go over a few questions that I had. We had a meeting set up in September, but I couldn't make it due to work. In Tami Simonson's email back to me on December 16, 2019, Tami wanted to know what questions I had so she could figure out who needed to be at that meeting. I bet Tami regretted asking that question and let's be honest Tami already knew the answer to that question. She just wanted to see what I knew. So, I answered it. Co-pays, Medical assistance, child support, Sara Emich failing as a social worker, Sara Emich stealing money from the transitional apartment, Sara Emich taking her clients personal belongings, Mike Rydeen molesting our minor daughter and Nicollet County not doing anything about it, Haily abusing Jacob and how Sara Emich gets away with whatever she wants.

Dec 18, 2019, Tami Simonson responds back with an email saying I should talk to Jay Link. I responded back with an email stating more.

My questions are

How was Sara Emich able to fill out the paperwork to get paid for reimbursement for co-pays when she didn't even have insurance on any of the kids?

I was sent a text from a Nicollet County worker I'm guessing a Social Worker saying I was getting served paperwork. Is this how Nicollet County acts when serving paperwork through a text?

How was Sara Emich able to get MA? Mind blowing

How was Sara Emich aloud to lie on the paperwork for child support? I'm guessing nobody did there homework and looked into anything. FYI Nicollet county forgot to put Sara Emichs income when she was working for Sibley County the same time she was working at Blue Earth County. Remember she wasn't paying state and Federal taxes on those checks.

How was Sara Emich aloud to keep her job at Nicollet County when she was a Social working when she had several clients committing Suicide?

How was Sara Emich aloud to keep her job at Nicollet County when Sara was in charge of the Transitional Apartment when it first started up using the check card for buying stuff for the apartment and bringing home her her house?

I think we forget I was with Sara for 19.5 years I know everything she did and wasn't supposed to do. The lady that took her life in 2009 who I helped move into the Transitional Apartment if you go on my facebook page you'll see a picture of Owen, Haily and Jacob all wearing a Saints basketball jersey in the background of that picture hanging on the wall is those lady's belongings that I told Sara I didn't want in the house because of the bad luck it would bring. I'm confused can Social Workers take clients personally belongings?

Now the Big one other than the MA. How in the world does Nicollet County not do anything about Mike Rydeen saying and doing inappropriate thing's to Haily my minor daughter? You do realize Haily drinks with Sara Emich and Mike Rydeen now. Jacob has back all of Haily's story's and now it's worse. Someone has a lot of explaining to do. FYI Sara Emich told me that someone from Nicollet County called her and asked her if it was true. Sara said as she was laughing that she is untouchable and running to Nicollet County was a waste of time and to give it up. I'm beyond disappointed in Nicollet County actions. Haily drinks with Sara and Mike a lot and in July of 2019 Haily was drinking at Sara's house went

to the pool and pulled down Jacobs swimming suit in front of everyone at the city pool. Haily then went home and beat Jacob. All of this is on a text from Sara to myself from that day.

It's clear that we have a problem and it's very clear that Sara Emich gets away with whatever she wants. Until now. It is my job to Owen, Haily and most of all Jacob that I will fight to bring women and mothers like Sara Emich who use there kids as weapons and used the County to help her.

I'm going to fix this system that fails us father's but most of all our children.

Let me know when you would like to meet I look forward to getting whatever answers I can :)

Thanks
Landon Little

Good afternoon Landon-

I understand that you have several specific questions and concerns. Due to data privacy rules I cannot discuss those specific issues with you. If you feel that fraud was committed I would encourage you to make a fraud report. You can do this by contacting our fraud investigator Jay Link at 507 934 7124 or by calling the state Fraud hotline at 1-800-627-9977. If you have concerns about the welfare of your children I would encourage you to call our intake worker at 386 4528 and share your concerns as a possible child protection report. Aside from those courses of action I would again like to offer you the opportunity to provide policy related questions that could be addressed in a meeting. I look forward to hearing from you.

Well like I said I talked to Jay Link in March of 2018 and nothing got done. And as far as my children's well being it's very clear Nicollet County won't or can't do anything to help I believe I said that in my email to Nicollet County that I didn't know who to trust. Trust me I'm working on the fraud and got it figured out who and what road I need to take. Same with Nicollet county not protecting my kids. Jay Link told me you had everything lined up a few months ago to prove Sara didn't commit fraud. Let's go over what you had I'm intrigued. Oh one last thing Michelle Fischer told me I couldn't get any paperwork about any of this because I was being represented by a lawyer and now I'm not so how does that work? My lawyer at the time also asked the county to see the paperwork for MA and was told it was lost.

I'm intrigued on how this process works. All of it. So if you would like to in lighten me on MA and getting reimbursed for co pays I'm game. Let me know I look forward to hearing from you.

Thanks

Good morning-

I apologize in the delay to getting back to you but as you have concerns in several areas I wanted to make sure we could have the appropriate people available to meet with you. With the holidays, the coordinating of schedules took a little bit longer. I would like to offer you a meeting on January 15th at 11:30 in our St Peter office. Please let me know if that will work for you.

Thank you.

Nicollet County And Sara Emich

January 15, 2020, 11:30am at Nicollet County Building next to the courthouse. I had a sit-down meeting with Jay Link County Investigator, Michelle Fischer County Attorney, Tami Simonson Health and Human/ Financial Assistance Supervisor, Diane Diedrich Child Support/ Child Care/ Collections Supervisor and Cas she didn't say her last name, but I believe it was Cassandra Sassenberg County Services Director all worked for Nicollet County. Casandra took the spot for Angela Obermiller Child Protection/ Intake Supervisor. Conflict of interested from what I was told.

I'm not going to lie watching everyone look scared was interesting everyone but one. County Attorney Fischer. She did a great job acting I loved it. Fischer went off on Cas about not opening a file about Mike Rydeen molesting Haily.

I asked a few questions. Like cost effective reimbursement which I was told under specific circumstances someone could get. I think they meant special circumstances.

What's interesting is out of all of them not even one did anything after this meeting. They all knew about Mike Rydeen molesting Haily and DID NOTHING ABOUT IT.

If you need the audio from that meeting county attorney Fischer was the only one that had her phone on the table. Once again Sara Emich using people to get what she wants.
