Personal Year 3

Personal Month 3

If you're in a Personal Year 3 and a Personal Month 3 this September, you're being surrounded by beautifully joyful, creative and expressive energy. Your Personal Year 3 is encouraging you to rediscover your voice and confidence, while September is inviting you to enjoy life, connect with others and let more of your personality shine through.

You may feel inspired to write, speak, create, socialise or share an idea that has been sitting quietly inside you. Opportunities may arrive through friendships, conversations, networking or simply allowing yourself to be seen and heard. This is a wonderful month to bring more fun and lightness back into your life.

The number 3 can sometimes scatter your energy, so be mindful of taking on too much or leaving things unfinished. Try not to hide your true feelings behind a smile or put off something that matters to you. Give your creativity a little direction, speak honestly and focus on what genuinely brings you joy.
