Personal Year 6 - Personal Month 6

If you're in a Personal Year 6 and a Personal Month 6 this September, you're being surrounded by beautifully loving, nurturing and heart-centred energy. Your Personal Year 6 is placing greater focus on relationships, family and responsibility, while September is encouraging you to create more harmony within your heart and home.

You may feel drawn to spend more time with the people you love, resolve a family concern, improve your home or deepen an important commitment. Relationships may need a little extra honesty, patience and care this month. This is also a beautiful time for healing, forgiveness and bringing more comfort and beauty into your surroundings.

The number 6 can sometimes make us feel responsible for everyone, so be mindful of giving too much, trying to fix every problem or expecting everything to be perfect. Caring for others is beautiful, but your own needs matter too. Allow people to take responsibility for themselves and make time for the love, care and support you also deserve.
