*Day selection*

*In the “TEODORA” collection, the light elm is combined to perfection with the Emperor stone finish, creating a warm and welcoming ambience.*

A rectangular dining table with a light wood finish and a glossy surface. In the center of the table sits a white ceramic bowl with a delicate floral pattern.

Twelve chairs with light wood frames and dark, upholstered seats. The chairs have a modern, minimalist design with vertical slats on the backrests.

A light wood sideboard or hutch with a dark top surface. It features several drawers and cabinets, and is decorated with various items including a vase and small figurines.

A small, white, tiered decorative pedestal or table. On top of it sits a tall, slender vase containing dried branches. A small tray with decorative items is placed on the floor next to the pedestal.

A large, rectangular rug with a complex, traditional pattern in shades of beige, brown, and green. The rug has a fringed edge and is placed under the dining table and chairs.

*Every detail has been designed accurately and tastefully,  
every surface treated and produced  
with artisan workmanship.*

*Special attention can be seen in every detail,  
as even the most concealed parts have been crafted  
with conscientious care for detail.*
