

Hello friends of Mama Tree,

Happy September! We're popping in to update you on some exciting happenings on the farm.

Heirloom Seed Expo 2024

Mama Tree is so excited to be tabling at the [2024 Baker Creek Heirloom Seed Expo](#) "the world's largest pure food fair," in Ventura, California from September 10th - 12th. If you've ever wanted to try one of our amazing farm-made products, we will have a table set up in the vendor hall. Come meet our team, learn about the land based work that we're doing, and sample our delicious products.

As part of the Expo's speaker series, Jeffrey and Abudu, both Directors at Mama Tree, will be giving talks about their work. The schedule for their talks is below.

Wednesday September 11th, 2024:

- **2:30 p.m. - Jeffrey Reidl** | Reforesting from the Circle K Parking Lot
- **6:30 p.m. - Abudu Nenwero** | Food Forests: The Ecological Knowledge of Our Ancestors

Thursday September 12th, 2024:
