Community Brainstorming Workshop

Thursday, Nov 21 from 8 - 10am

Join the Ojai Valley Green Coalition for part 2 of their Community Brainstorming Workshop at The Ojai Retreat and Inn. Capacity and parking are limited, so please carpool if possible and [RSVP via this link](#). Our farm co-director Natalie Buckley will be speaking on a panel during the event! Hope to see you there.

Compost & Soil Health Workshop

Saturday, Nov 23 from 9am - 12:45pm

Join us for a half-day workshop this Saturday where our special guest instructor Mo @EdibleGardensOjai, and resident farm team Abudu, Logan and Natalie will guide you through different composting and regenerative soil building methods to help you create or improve your own composting system back home. Participants will also have a chance to bring home some organic compost and biochar from our farm! Byo-bucket or we'll have some available for purchase. Learn more and register here.

A storm is forecasted to hit this weekend, bringing the first rain of this water year and ending fire season. We encourage wearing warm layers and we will enjoy being outside celebrating compost with you in the event of light rain. Hopefully the bulk of it holds off until after our workshop. If the forecast moves

up and Saturday morning shows heavy rain, we will raincheck the workshop to the following weekend.

Compost Workshop Registration

We'll be sharing more information about upcoming events in December soon. Fill out our [interest survey](#) to let us know what excites you, follow us on social media [@MamaTreeOjai](#), and share this email with friends to help us spread the news.

Thank you!
