

MAMA TREE

Happy Summer ☀️

We hope everyone enjoyed the longest day of the year last weekend. To celebrate, our team gathered under our oldest 'mama walnut' tree to share reflections and intentions for the months ahead. Among other things, we're grateful for early morning bird song, and we're looking forward to revitalizing our community garden.

Though we had planned to pause our programming after our farm tour 2 weeks ago, the opportunities to hold a few more community programs were too good to pass up. [Check out our upcoming events](#) 📌
