

MAMA TREE

Dear friends,

Happy New Year! Wishing you a happy, healthy start to 2026. We closed out the year with an epic rainstorm that gave us 14.84" inches of rain on the farm. Our water basins are full and happy. If you're interested in learning more about earthworks, we're offering a workshop in February that dives deep on all things water-cycle restoration.

Private petting zoos are also able to be scheduled pending staff availability. Gift vouchers are available if you're looking for an outstanding gift idea. Reach out to Programs@MamaTreeOjai.com if interested 📧
