Compost & Soil Health Workshop Recap

Thank you so much to all those who attended our Compost & Soil Health Workshop this past weekend! We had a great time learning all different methods of composting and how we can turn our food waste into healthy, thriving soil. It is a gift to us to be able to engage with you about topics like this and we wouldn't be able to do that without your interest and your help spreading the word.

If you missed out, we plan to offer this workshop again. Stay tuned for dates!

We'll be sharing more information about upcoming events soon. Fill out our [interest survey](#) to let us know what excites you, follow us on social media [@MAMATREEOJAI](#), and share this email with friends to help us spread the news.

Thank you!
