- All payments are due at the time of service: Self-pay fees, Insurance co-payments, and deductibles.
- Any open balances such as co-insurances and deductibles will be collected on the day of service. Charges are payable by cash, check, Visa, MasterCard, Discover or American Express.

- Any balance over 90 days old will be processed and sent to a collection agency.
- Our practice participates with United Healthcare, Medicare, and VA CCN; it is your responsibility to understand the requirements and covered benefits of your plan. **We will bill your insurance company as a courtesy, but it is your responsibility to follow up on all insurance issues.** The billing department will do everything that can be done to resolve insurance issues, but it is your responsibility in the end as you are their subscriber.
- You are responsible for any non-covered and/or denied claim; you will receive a statement of denied charges and payment is due within 30 (thirty) days after the date on the statement.
- If your insurance policy requires a referral, it is your responsibility to contact your primary care physician and have a referral sent to our office prior to your appointment date.
- **Failure to notify the clinic of needing to cancel your scheduled appointment with at least 24 hours advanced notice will result in a $25.00 charge billed directly to you.** Your insurance company will **NOT** cover this fee.
- We value your time. If you have a limited amount of time for your scheduled appointment, please let us know in advance or upon arrival in our facility so that we are able to accommodate you the best that we can.
- In order to provide all of our patients with proper care, it is imperative that you arrive on time for your scheduled appointment. Please call the office as soon as you know that you will be arriving late for your appointment so that we can prepare for this change. You may have to wait to be seen depending on the other scheduled appointments for that day.

Thank you for your patience and cooperation. By signing below, you acknowledge and certify that you have read, understood, and agreed to the patient policies as listed above. We realize that temporary financial problems may affect timely payment of accounts. If such problems arise, we urge you to contact us promptly for assistance in the management of your account. Doctors of chiropractic, medical doctors, osteopathic physicians, and physical therapists using manual therapy treatments for patients with neck problems are required to explain that there have been rare cases of injury to a vertebral artery as a result of treatment. Such an injury has been known to cause strokes, sometimes with serious neurological injury. The chances of this happening are extremely remote, approximately 1 per 1 million treatments. Appropriate tests will be performed on you to help identify if you may be susceptible to that kind of injury and an appropriate response will occur. If you have any comments or questions about this, please speak with Dr. Whooley.

I have read and understood the above statement, accept the mentioned risk, and hereby consent to treatment.
