

HUGH & GRACE

Home User Guide

PRODUCT BACKGROUND

Our natural, powerful, beautiful solutions for life's messes. Our powerful cleaning concentrate works everywhere: kitchens, bathrooms, walls, floors—almost every surface. Helps remove germs and break down grime, dirt, and odor with our exclusive coconut-derived cleansing agents that rinse residue-free and easily biodegrade. Formulated to replace numerous cleaners with just one product, our high-performing, plant-powered concentrate detoxifies and refreshes your home with natural lemongrass, neroli, and cucumber water essences. Recyclable, amber glass packaging preserves the integrity of our product and contributes to a cleaner environment. Non-toxic and safe for your kids, pets, and planet.

Minimal plastic packaging. Refillable.
(No sulfates, chlorine, phosphates, phthalates, parabens, triclosan, ammonia, or artificial fragrance).

DILUTION RATIOS

DILUTION RATIOS

Multi-Purpose:

Add 1 part concentrate (1oz) to 16 oz bottle. Fill with water. Start cleaning!

Deep Clean:

Add 2 parts concentrate (2oz) to 16 oz bottle. Fill with water. Start cleaning!

TEST FIRST

Prior to treating any surface, it's essential to conduct a preliminary test on a concealed area. This helps ensure that the solution does not lighten the surface or leave behind water marks.

USE AS DIRECTED

Do not apply to skin or eyes. Do not swallow.

HUGH & GRACE

1 Add concentrate to 16 oz bottle

2 Fill with water

3 Start Cleaning

Ingredients

Water, Cucumis Sativus (Cucumber) Fruit Water, Citrus Aurantium Amara (Orange Blossom) Flower Water, Cocamidopropyl Hydroxysultaine, Pentylene Glycol, Sodium Methyl 2-Sulfolaurate, Sodium Leveulinate, Potassium Sorbate, Tetrasodium Glutamate Diacetate, Cymbopogon Flexuosus Oil, Citric Acid

KEY INGREDIENTS:

Cucumis Sativus (Cucumber)

Fruit Water: Cucumber contains astringent, brightening, and protective properties.

Citrus Aurantium Amara (Orange Blossom) Water:

Neutralizes bad scents and acts as an antimicrobial substance.

Cocamidopropyl Hydroxysultaine:

A mild surfactant originally derived from coconut oil. An effective surfactant that reduces the irritation of other surfactants.

Pentylene Glycol (Natural): Non-toxic, broad-based anti-microbial humectant, derived from sugarcane. Shows broad-spectrum antimicrobial activity against yeast, mold, and bacteria.

Cymbopogon Flexuosus Oil

(Lemongrass Oil): Antibacterial and anti-fungal properties are great for a number of uses, including cleaning your home. It also helps to kill fungus and mold that grows in damp spots.

FAQs

IS IT SAFE ON WOOD?

Our Multi-Purpose Cleaner should be appropriate for most wood, however it does depend on the wood finish and treatment, always patch test before use.

IS IT SAFE TO USE ON STONE, GRANITE + MARBLE?

Yes! While this product has been tested on a number of surfaces, there is no way to be 100% sure, therefore you should always patch test before use. Our Multi-Purpose Cleaner can clean porous, natural stones like travertine, marble and granite. Spray and wipe clean. We recommend using distilled water to reduce the potential of streaks!

CAN I USE MY OWN BOTTLES?

Yes, you can use your own refillable bottles! Please follow our dilution ratios for the best results. Make sure your bottles are clean before diluting the product. We suggest glass bottles.

IS IT A DISINFECTANT OR SANITIZER?

While our Multi-Purpose Cleaner is not a disinfectant, it does remove germs.

Our Hugh & Grace multi-purpose cleaner is a high performing, naturally derived, non-toxic concentrate. Based on a large amount of plant-based and organic ingredients, a natural clouding may sometimes be visible in the concentrate which is due to occasional variabilities, including changes in temperature. If you notice some natural sediments or a cloudy viscosity in the concentrate, it will disappear with ease when the concentrate is diluted, per the use instruction. Like kombucha, and many other natural compound liquid preparations, the healthy benefit is connected to the organic nature of the formula.

TIPS & TRICKS

DWELL TIME

For challenging cleaning tasks, allow some time for our Multi-Purpose Cleaner. Adjust the duration for particularly stubborn messes.

CONCENTRATE

If our Multi-Purpose spray isn't sufficiently effective, try employing our Deep Clean solution in the kitchen, on stains, or outdoors. Still seeking greater power? Opt for the undiluted Concentrate!

SOFT CLOTHS

Utilizing a soft cloth in conjunction with the solutions yields an excellent combination! Our products effectively loosen dirt, grime, and germs, enabling soft cloths to effortlessly wipe them away.

DISTILLED WATER

Substitute distilled water to your mixture to help avoid streaks!

How To Use

KITCHEN

SINKS

Spray with Multi-Purpose Cleaner then scrub and wipe away. For a more intense clean, let sit for several minutes or spray with Deep Clean.

STAINLESS STEEL

Spray the surface with Multi-Purpose Cleaner and wipe it with a paper towel or soft cloth. If the Multi-Purpose spray is too concentrated and leaves streaks, use distilled water!

STOVETOPS

Spray Multi-Purpose Cleaner and let it sit for a few minutes before wiping.

OVENS

Preheat the oven to warm, then turn it off. Generously spray the inside of the warmed oven with Deep Clean. Let it sit for 5 minutes or more. Scrub and wipe. Use a paper towel or dry rag to dry. Repeat if necessary.

CABINETS

Always perform a test on the finish using Multi-Purpose Cleaner spray first. Spray the solution and wipe it clean with a dry cloth.

APPLIANCES

External use on all appliances to wipe clean; refer to appliance user guide for internal cleaning instructions.

COUNTERTOPS - STONE, MARBLE + GRANITE

Spray our Multi-Purpose Cleaner or Deep Clean and wipe clean on porous, natural stones like travertine, marble, and granite. If your countertop has a sealer, test the solution in an inconspicuous spot first.

CUTTING BOARDS

To remove germs from cutting boards used for raw meat, chicken, or fish:

1. Rinse off any remaining meat, chicken, or fish with hot water.
2. Spray the cutting board with Multi-Purpose Cleaner.
3. Let it sit for approximately 2 minutes.
4. Scrub with a brush.
5. Rinse thoroughly with hot water.

DISHWASHER

For a deep clean of your dishwasher, remove the parts (filter, racks, etc.) and clean them separately with Multi-Purpose Cleaner. Clean the outside of the machine with Multi-Purpose Cleaner and a towel.

DISPOSALS

Spray Deep Clean directly into the disposal and let it sit for 5 minutes to break down any buildup. Clean and deodorize by running water through the turned-on disposal for 1 minute.

FAUCETS

Spray Multi-Purpose Cleaner and let it sit for 30 seconds. Use a brush or cloth to scrub it clean, and then wipe with a dry cloth.

GARBAGE / TRASH CANS

Thoroughly spray the cans with Multi-Purpose Cleaner, let them sit for a few minutes, and wipe them clean.

RANGE HOODS

Spray the hood with Multi-Purpose Cleaner and let it sit for a few minutes to break down grease and grime. Scrub spots if necessary, and then wipe with a cloth.

REFRIGERATORS

Spray Multi-Purpose, let it sit for 30 seconds, and then wipe it clean. For a stainless-steel fridge, refer to the Stainless-Steel directions above.

How To Use

PERSONAL CARE

CAR SEATS

Spray Multi-Purpose Cleaner and wipe the surface.

CRIBS + PLAYPENS

Dampen a soft cloth or and spray it with Multi-Purpose Cleaner to wipe down the parts.

DIAPER PAILS

Spray and wipe with Multi-Purpose Cleaner each time you empty it.

HIGHCHAIRS

Spray Multi-Purpose Cleaner and thoroughly wipe all surfaces with a damp cloth.

PETS

LITTER BOX

Spray Multi-Purpose Cleaner in the empty litter box, scrub it, and rinse it clean with hot water.

PET CAGES

Sweep out the bottom of the cage, spray it with Multi-Purpose Cleaner, and let it sit for 5 minutes before wiping it clean.

BATHROOM

SOAP SCUM

Generously spray the surface with Deep Clean allow it to sit for a few minutes, and then scrub it clean.

DRAINS

Remove any hair or buildup. Spray around the drain with Deep Clean, let it sit for 5 minutes, and rinse. Repeat the process as needed.

GROUT

Spray the grout liberally. Use a brush to scrub Deep Clean onto the grout, adding more spray as necessary. For a more intense clean, allow to sit for SEVERAL minutes or longer before cleaning up.

SHOWERS + TUBS

Spray the shower/tub with Deep Clean, let it sit for a few minutes, scrub, and rinse clean. For a more intensive clean, use Deep Clean.

SINKS

Spray with Multi-Purpose Cleaner then scrub and wipe away. For a more intense clean, let sit for several minutes or spray with Deep Clean.

TILE FLOORS

For spot cleaning, spray the tile with Multi-Purpose Cleaner and wipe it with a clean cloth or rag.

TOILETS

Spray the toilet seat, sides, and floor around the toilet with Deep Clean. To clean inside the toilet, flush the toilet to wet the surface, then spray Deep Clean around the bowl. For a more intense clean, let sit for several minutes then scrub and flush to clean.

How To Use

GENERAL USE

WALLS/CEILINGS

Spray Multi-Purpose Cleaner on a cloth and use it to wipe the walls/ceilings clean

BASEBOARDS

Spray our Multi-Purpose Cleaner on a cloth and use it to wipe the baseboards clean.

BRICKS

Directly spray our Multi-Purpose Cleaner onto the bricks. Scrub with a brush and repeat if needed.

CEMENT

Wet the area, spray our Multi-Purpose Cleaner, and let it sit for a few minutes. Use a stiff brush to scrub the area and rinse. Repeat if necessary.

DECKS - WOOD

Wet the deck with a hose, spray it with our Multi-Purpose Cleaner, and let it sit for several minutes. Scrub the deck with a stiff brush and repeat if necessary. For mold and stubborn stains, consider using Deep Clean and power washing

DOORS + DOOR FRAMES

Spray Multi-Purpose Cleaner onto a soft cloth or directly onto the surface, and then wipe.

PATIO + LAWN FURNITURE

Remove cushions and set them aside. Liberally spray Multi-Purpose Cleaner on all surfaces of the furniture. If heavily stained, allow the product to sit for 3-5 minutes to break down the stains. Rinse the furniture with a wet rag or garden hose.

INTERIOR OF CAR

Consult manual and patch test. For best results, use distilled water to avoid mineral rings. Spray the interior with Multi-Purpose Cleaner and wipe or scrub it clean. Use a small brush or toothbrush for hard-to-reach crevices.

GRILLS

Spray grill racks with Deep Clean and let sit for several minutes. Use a rag or stiff brush to scrub the grill racks clean. Rinse with water. Consult user manual for external use.

TIRES

Spray our Deep Clean on the tires, then agitate with a stiff brush and rinse off with water.

WORK TOOLS & EQUIPMENT

Spray Deep Clean, let sit for a few minutes, and then wipe dry.
