Maria's Minutes

Dear Friends,

I hope this newsletter finds everyone healthy. It's been almost one year, since COVID turned our lives upside down. It's been an enormous strain on relationships, financial stress, and loss of life. Let's not forget our children, who have also suffered. We are here to help our families in any way we can.

I've recently had the opportunity to brainstorm with other individuals who have reinvented themselves during this pandemic... and actually thriving better than before this virus hit. As your trusted advisor, I am also implementing new ideas to improve services to those I serve.

This year is the 20th anniversary of my late husband Bob's passing from kidney cancer. We would like to help 20 area cancer patients struggling to make ends meet due to their treatments. Please contact me if you know of someone needing assistance.

Looking forward to never hearing the words "COVID" or "Social Distancing" ever again!

-Maria
