We designed Pet CBD Oil specifically for your furry friends so they too can enjoy the benefits of CBD and keep feeling their best!

Studies show that cannabinoids have anti-inflammatory effects and can help with a variety of ailments such as allergies, loss of appetite, joint pain, chronic pain, digestive issues, fatty tumors, homeostasis, inflammation, skin problems, muscle spasms, aggression, anxiety & neurological disorders.

It also helps dogs that have separation anxiety, social anxiety, fear of thunderstorms, or long-distance traveling. It is also great for post-surgery recovery since it aids with swelling, pain & stiffness, as well as bone breaks, torn ligaments & strains. Ideally, with the advice of your vet, CBD could supplement, synthetic drugs which cause many side effects, and can also be used daily to manage mood & pain.
