

## 1Q 2022 Child Sponsorship Newsletter

April 2022

Hello and Happy Spring to you! I pray that you had a delightful Easter. There are many wonderful things going on with our [Child Sponsorship program](#) that I just had to tell you about (see below). Please feel share with your church, family, friends and co-workers as well!

As you may remember, we have expanded our sponsorship program into the slums of Nairobi, Kenya. We are now supporting three schools in the slums by providing lunch every Saturday, 52 weeks a year, thanks to some very generous donors.

**Last Saturday we fed over 1,350 kids (see above)!!**

In Rakwaro, Kenya (see above and below), we are providing a Bible lesson every Sunday **plus a healthy fresh fruit snack for over 200 kids!** We are also sending each child with rice and beans for their lunches for the entire week.

If you would like to [help us feed even more kids..you can make a one-time or monthly donation by clicking here.](#)

In Andhra Pradesh, India we continue to support a handful of students on a monthly basis and help local children in need. Below is a picture of students who received new shoes from Helping Hands International around Christmas time.

If you are interested in **meeting your sponsored student face to face**, we invite you to checkout our [2022 Volunteer Service Projects](#) in [India \(10/15/2022-10/29/2022\)](#) and [Kenya \(09/09/2022-09/20/2022\)](#). Registration is currently open and we encourage you to apply!

Finally, we have many [children waiting to be sponsored](#). *Would you consider sponsoring one more child?* By providing a monthly gift of \$38 you are feeding, providing education, and sharing the gospel with a sponsored child.

Many thanks and blessings to you!  
Crissy

P.S. We are currently working on fresh photos and letters from your sponsored child, so please be on the look out for that coming soon to your email inbox.
