Bringing help and hope to hurting people...

Helping Hands International is kicking-off our year-end fundraiser and needs your support!

www.helpinghandsinternational.com

YEAR-END FUNDRAISER!

Helping Hands International is kicking off our year-end fundraiser starting November 1, 2021 and hopes to raise \$100k or more before year-end! These funds will be used to help our non-profit continue sharing the love of God in our local communities and beyond in 2022. **Will you consider donating today?**

Thank you!

www.helpinghandsinternational.com/donate

\$45,000

Matching Donation

Every donation of \$100 or more will be matched dollar for dollar by HHI's Board of Directors up to \$45k!

Overcoming Uncertain Times

HHI had to cancel our annual in-person fundraising event this year, for the second year in a row, due to COVID-19. And, as many of you know, this was after all of our 2020 service projects, with the exception of the S.OR Hope Park and Fire Relief, were also cancelled. COVID-19 had a major impact on our bottom line and ultimately contributed to our decision to apply for two PPP loans, which were granted, and allowed us to continue paying our staff throughout the year.

2021 Highlights

Thanks to God's grace, your continuing support, and the PPP loans (which were forgiven), we were able to continue our mission and:

- Built 15 houses and 1 new Ministry Center
- Reached over 100 additional Fire Victim Households with gift cards, donated vehicles, and financial help to purchase a trailer to provide shelter and equipment to rebuild a local business
- Completed 7 non-US service trips
- Register over 300 volunteers and log-in approx. 23, 520 volunteer hours

Please Support Our Mission in 2022

Would you consider financially partnering with us (**or increasing your existing support**) so that we can continue our mission into 2022? Please see the enclosed self-addressed envelope and response card **or** go to our website to give online today!
