It'll be a cold July in Texas	G

Climb a Kansas mountain range	G

When they got no enchiladas
Down in Mexico
No beans up in Boston
No cars in Tokyo
When you can see the USA
Without the red, white, and blue
That's the day that you will see
A me without a you

When there ain't no lights in Vegas	C G
Or castles on the Rhine	D Em
When the Irish don't like fiddle tunes	C G
And the French are sick of wine	Em D
When the desert's got no cactus	C G
And the dove forgets to coo	G C-Am
It'll be a cold July in Texas	C G
When I stop loving you	D G

You can take all the tea in China
Every church in Rome
They can't hold a candle
To what we got here at home
Call me sentimental
Maybe I'm just a country fool
But it'll be a cold July in Texas
When I stop loving you
