

Adam and Eve Shuffle

2011-2020

Woman is an angel, man is a dog
I can't see nothing through this fog
It just goes round and round like a rusty flywheel

Woman is a bird and man is a beast
Everybody's starving at the feast
It just goes on and on like a bone dry summer

When Adam delved and Eva span
Who was then the gentleman?
Who paid the price of the serpent's tale?

Chorus

Trouble come easy love come hard
Everybody's looking at the same dance card
It just goes up and down like an empty seesaw

She hums at the moon he squints at the sun
She pulls up weeds he loads his gun
Somewhere a shooting star grows in a garden

Adam's hunger, Eva's eyes
Blew the gig in paradise
Out the garden gate into the storm

Chorus

One hand tied and one hand free
They stagger from the hallowed tree
Into the crimson meadows of the dawn

One hand tied and one hand free
We stagger round the mystery
Trying to conjure sunlight from a stone

Chorus:

She says yes and he says no
She says come and he says go
It just goes round and round and round and round...
