Complete CNA Training Program in Only 3 Weeks

Our Nursing Assistant/Aide program is authorized by the Tennessee Higher Education Commission. The objective of our program is to prepare students to become Certified Nursing Assistants. Upon completion of the Nursing Assistant/Aide program, the student is eligible to take the state certification test. Passing the state certification test provides the student with the title of CNA (Certified Nursing Assistant).

The program consists of 75 classroom hours in our West Knoxville training center and 18 clinical hours in nearby nursing facilities.

Experienced program instructors provide training on many skills, including:

- Communication and Interpersonal Skills
- Basic Nursing Skills
- Personal Care Skills
- Mental Health & Social Service Needs
- Care of Cognitively Impaired Individual
- Observing & Recording Patient Health Changes
- Basic Restorative Services
- Patient's Rights
- Infection Control

No previous nursing experience required!

Application Fee: $100

Tuition and Other Fees: $777
