

Englewood Community Coalition, Inc., invites you to partner with us as a sponsor for our upcoming gala fundraiser, **Southern Nights**, dedicated to advancing youth substance use prevention and education.

Since 2014, Englewood Community Coalition, Inc. has been dedicated to preventing youth substance abuse and promoting healthy lifestyles throughout Englewood, Florida. What began as a grassroots response to an alcohol-related teen tragedy has evolved into a powerful community movement focused on protecting, educating, and empowering local youth and families.

Our Vision: A Healthy, Safe, and Drug Free Englewood

Partnering with libraries, Boys & Girls Club, Drug Free Charlotte County, faith-based organizations, our local schools, mentors, and other community partners, we've provided substance abuse prevention, education, drug-free social opportunities, and free creative arts classes e.g., music, art, drama, **reaching 2543 tweens and teens** this year.

Local TEEN survey data reflects encouraging trends in reducing youth substance use and increasing awareness of the dangers associated with alcohol & drugs, evidence that prevention and community support truly make a difference.

Southern Nights will be a celebration of community impact and critical investment in the future of our youth and families. promoting programs and initiatives that:

- Promote substance abuse prevention and education.
- Expand youth access to mentored creative arts.
- Strengthen family and community connections.

We welcome the opportunity to speak with you about how your sponsorship can make an impact, and align with Your philanthropic and/or marketing goals, providing the meaningful recognition you will receive. We appreciate your consideration and hope that will join us for the evening of celebration, impact, and partnership support.

Sincerely,

Kay E Tvaroch, Exec. Dr.
