## Hi Neighbors!

### Welcome to our SPRING edition of the Allenbrook Newsletter!

It's hard to believe that Winter came and went so fast; even the peepers started early, and my daffodils came and went before the equinox. It's truly amazing to see how quickly nature greens up. (Spring peepers are small frogs known for their distinctive high-pitched calls).

First of all, we'd like to welcome our new neighbors that have settled here within these last few months. We are happy to have you on our little corner of Lenoir City. We are planning an Allenbrook neighborhood party in May, so we can meet our new and old friends. More about that from our Party committee later in the newsletter.

Unfortunately, we also had to say goodbye to some good neighbors recently. We pray for them and their families that have been left behind.

As described in the previous newsletter, this is the last fiscal year of the current terms of President and Treasurer. We have had two neighbors volunteer to run for these two open positions. They are David Sexton for President and Bryan Bryant for Treasurer. There is still time for any other neighbor to put their name in the ring. Nominations will close June 1<sup>st</sup>. Please contact your board via our email address. There are also two open board positions and one open position on the advisory committee. If you have experience in construction and/or real estate, the advisory committee would be perfect for you. Again, if you are interested, please contact us.

Thank you for your attention and hope to see you all around the block,

President, Jeremy Chapman; Treasurer, Pete Sposato; Secretary, Belinda Sexton

Board members; Joe Winters, Dale Alexander, Bryan Bryant
