Tournaments:

- Fall Cup (9/27) signup will begin this weekend. You must sign-up in person and pay your tournament fee at time of sign-up. This is a two-man Best Ball flighted match-play tournament. This is not a scramble.
- Tee-times: As you may have noticed, we have begun to compress the tee-time window on the weekends to give back tee times to the course. Please be on the look-out and verify your tee-time when you get the text/email as it may have changed. If participation dwindles over the fall, we will likely switch to Birdie Trains on Sunday.
- We are looking at supplementing the payout during certain tournaments in the fall to give back more to the membership.
- There have been many situations where the score in a group entered in Golf Genius doesn't match the score on the scorecard. This has caused some confusion. It is a best practice to have one person keep the scorecard and one use Golf Genius and at the end of the round compare the scores on each. If they don't match, rectify it prior to turning in your card. We do this in my group after 9 holes and after we finish the 18th and have been able to resolve any issues ahead of time. It takes less than a couple of minutes to do and ensures the accuracy of scores and can help in more timely results delivery.
- We continue to monitor a couple of things with Golf Genius:
 - Scores disappearing after you enter them in the app. Please make sure your score is recorded prior to advancing to the next hole in the app. Usually the second time they are entered they stick
 - Scorecards sent via Golf Genius have incorrect scores, but the card stored in Golf Genius is correct. If this happens, please let us know so we can verify
- Overall, great participation in the tournaments over the course of the summer! Thank you!

Skins Committee:

- There will be no more Skins for the remainder of the year. Thank you to everyone who participated, we had some large skin prizes this year!

Tee Committee:

- Men's Club Gold Tees will continue to be used in 2026 as they were in 2025. These allowed for the course to play to the yardage on the card.

Social Committee:

- Fall Cup Weekend (9/26, 9/27) – Chili and Wings
- Exploring the possibility of food on additional weekend as well

2026 Elections:

- Elections will be held starting on 9/19 and will close out on 10/2. Ballots will be available in the clubhouse. One vote per member please.
- There are two items on the Ballot:
 - **Social Chair:** Scott Sfreddo, Mark Geltz and Bob Herdman are all running
 - **By-law Question:** Modify the by-laws to limit the term of all Board Members to 1-year terms.
- All other Board positions were unopposed and not on the ballot.

Misc:

- Discussion about the possibility of a year end Member Gift
- Closest to the Pins will be available on 10/10 and 10/11(Two each day)
- This will likely be the last year of the Legends Championship due to insufficient participation
- A vote was taken on whether or not to implement a "Root Rule" as we don't currently have one. This measure did not pass and we will continue to not have a root rule. You have the option of chipping away from the root or taking an unplayable and then move your ball in accordance to Rule 19 of the USGA Rules of Golf. Learn more about that rule [here](#).

Next Board Meeting: TBD at Cedar Knob
