The most ICONIC photo booth ever — hands down! 🎉 ✨

We got married at the stunning venue known as Chapel House Estate in Ramsgate, Kent on Friday 5th September 2025, and knew we wanted a photo booth stylish and unique to match our disco-inspired wedding vibe. We met this amazing company at the London Wedding Fair at ExCeL and instantly fell in love with their setup — it was modern, chic, and totally aligned with our vision.

We booked the Retro Magic Mirror 3-hour package paired with the Disco Wall featuring a "Just Married" sign and six disco balls in three sizes and put together it looked *UNREAL*. So many guests commented on how fabulous it was, and our wedding coordinator even said "Out of all the weddings I've done here, I've never seen a more amazing photo booth than that." That made us feel amazing, we love to be unique, and this setup truly delivered. 🎉 ✨

The whole experience was flawless. Their booking system is super easy, communication was quick and professional and the service on the day was spot on. The booth added so much fun and energy to the evening, and the photos are such a fun keepsake from the best day of our lives.

We would 100% recommend this company to anyone looking for a photo booth that's not just a backdrop but a statement. Stylish, fun, and totally unforgettable. Thank you for being such a fabulous part of our wedding! 🎉 ❤️ 📸
