

Auditing & Specialist Help for your Environment
and Safety

Corporate Social Responsibility (CSR)

ASHURES Ltd provides Environment, Health and Safety auditing and specialist help to those who want to achieve safe, sustainable business practices. The company is classed as a Micro Small to Medium Enterprise (SME) with less than 10 employees.

All Directors are equal share holders and hold equal responsibility for the running of the company.

We practice what we preach and lead by example. ASHURES Ltd will:

- Support our CSR with an Environment and Health & Safety Policy that will be made publicly available on the web page
- Maintain all profession qualifications required to undertake ASHURES business
- Comply with all applicable legislation relating ASHURES businesses
- Submit tax returns in line with HMRC requirements
- Ensure that Directors are equally responsible for the running of ASHURES business
- Encourage and support staff to become actively involved in local charities and non profitable business groups
- Actively contribute to Women in Business, Women in STEM and Women in Leadership initiatives and groups
- Act professionally in every aspect of ASHURES business and lead by example
- Ensure that we treat everyone we meet with dignity and respect
- Ensure that we treat any data we hold in line with relevant data protection legislation
- Review this policy annually
