

## **ENVIRONMENTAL POLICY STATEMENT**

Fife Creamery Ltd is a supplier of ambient, chilled and frozen products.

Fife Creamery Ltd will conduct its business with respect and care for the environment. This will be achieved by implementing environmental strategies that benefit the community local to our site.

We will work together with our suppliers and customers in order to minimise environmental impact during the product lifecycle.

Fife Creamery Ltd will conform to relevant legislation and codes of practice. In addition we will adopt appropriate integrated environmental management systems which specifically focus on preventing pollution by:

- Minimising waste generation
- Reducing the consumption of energy
- Sourcing sustainable raw materials and packaging
- Recycling waste materials effectively to minimise disposal to landfill
- Minimising emissions to air, land and water
- Improving the awareness and training of employees in environmental best practice

The management of Fife Creamery Ltd are committed to operating an environmentally responsible business and aim to monitor regularly company progress in achieving agreed environmental objectives.

David Simpson  
Operations Director
