

SUSTAINABILITY POLICY

Vision

Fife Creamery strives to produce better events for a better planet.

Principles

Our approach to business is guided by commitments to the following principles: Leadership, Integrity and Continuous Improvement.

Important Issues

Our business faces many challenges and opportunities. Due to their direct impact on us we have prioritised the following issues that need to be addressed: Health and Safety, Ongoing training, Fuel and Electricity conservation.

Our Ability and Duty to Act

- We believe in using the Earth's resources wisely as we conduct our business.
- We also believe we have the power to make a positive impact on the people and organisations we interact with.
- Our attention to environmental, social and economic responsibility includes working within the law and voluntarily exceeding legal requirements in order to be innovative and demonstrate leadership on the issues that are important to us. As we engage in our business we are able to choose every day how our actions build a better quality of life for our employees, customers and suppliers.

Objectives

We commit to:

1. Monitoring the amount of fuel and electricity used and constantly striving to reduce usage.
2. Nominating a company charity so we can give back to our community.
3. Ensuring our employees, customers and suppliers understand and share in our sustainability goals.
4. Create innovative approaches to future challenges.

Reporting

Internal management reviews will be conducted at least once per year.
