## WELCOME TO SUPERCAR SHOWTIME!

### ABOUT SUPERCAR SHOWTIME

Supercar Showtime is organised by a group of volunteers to raise money for Derian House children's hospice. The event also raises funds for the Hoghton Tower Preservation Trust through 50% of the general admission ticket sales. All other profits from the event, including the auction, will be donated to Derian House.

The Supercar Showtime team would like to thank all of the 2024 event sponsors (below) and auction lot donors for their generosity and support.

### ABOUT DERIAN HOUSE

Derian House provides **respite** and **end-of-life care** to hundreds of children and young people across Northwest England who have **life limiting conditions**. Their ethos is to make sure that every child and young person who is supported by Derian is able to make the very most of the time they have.

The hospice has a hydrotherapy pool, sensory room, soft play, large inclusive playground suitable for wheelchair-users, and a sensory garden full of the sights, smells and textures of nature. At Derian the **whole family** is offered a framework of support; with support for **siblings**, a grandparents' bereavement group, and **counseling** sessions for families for as long as they need it.

The service and care the hospice provides costs over **£6m per year**, with only 30% of the funding required coming from statutory sources, with the remainder coming from fundraising. That's over £4.2m of funding required, which equates to over £80,000 per week, every week!

## THE AUCTION

The Supercar Showtime team and Derian House would like to thank all of the organisations and individuals who have generously donated auction lots. The auction is a key part of the event in generating much-needed funds for the hospice and the kindness of everyone involved, either donating auction lots or taking part through bidding, is greatly appreciated. Thank you to you all!

The auction will be held live at Supercar Showtime on Sunday 2<sup>nd</sup> June. Sealed bids will also be accepted online in advance of the event, enabling people who are unable to attend on the day to participate in the auction. The bids received via the online form on the [Supercar Showtime](#) website will be included by the auction team in the live auction.

The auction will start at around 12:50pm in the Café le Mans hospitality marquee and will undoubtedly be an exciting part of the day!

Winning bidders can pay for their auction lots either immediately (cash / card) at Supercar Showtime or within 7 days following the Supercar Showtime auction. Payments are to be made to Derian House children's hospice.

### Mr. Brainwash

When Mr. Brainwash exploded onto the LA scene in 2008 with his debut show he created a sensation. Although at the time he was a complete unknown, before the week was out his sales had reached almost \$1m, he was on the cover of LA Weekly and the original five day exhibition had been extended to run for three months. Life is Beautiful had transformed a cavernous disused TV studio into a street art spectacular which attracted over 50,000 visitors, making it the most visited private exhibition in history. Overnight, Mr. Brainwash, AKA Thierry Guetta, an unknown French street artist, had become what Banksy described as "a phenomenon". He was indeed unstoppable; in the last 10 years, this subversive and playful visionary has been placed on the elite list of the world's top artists based on auction sales of nearly \$2.5million and his meteoric rise has been the largest ever seen in the Art Market.
