

# WEST LISBON AVENUE PROJECT

WEST LISBON AVENUE FROM NORTH 100TH STREET TO WEST BURLEIGH STREET

## ONLINE PUBLIC INVOLVEMENT MEETING

Wednesday, November 10, 2021

from 6 to 8 p.m.

### MEETING FORMAT

The City of Milwaukee is hosting the first Public Involvement meeting for the West Lisbon Avenue Project. The meeting format is from 6 to 8 p.m. as a virtual Microsoft Teams meeting, with a presentation to begin at 6:10 p.m. You are welcome to print this handout and provide questions to the project team once the Q&A session begins.

### PUBLIC INPUT / COMMENTS

Your input is important. Feedback received will assist us in developing improvement alternatives to be presented at future meetings. Included at the end of this handout, as well as on the project website: [lisbonavenue.org](http://lisbonavenue.org), is a form that may be used for written comments. You are encouraged to fill out this form and return it to the project team prior to December 8, 2021. Comments and public input are welcome throughout the duration of the project.

Comments may also be submitted via e-mail to Darci Hackbarth at [Darci@devorpr.com](mailto:Darci@devorpr.com)

## MEETING PURPOSE

The City of Milwaukee, in partnership with the Wisconsin Department of Transportation (WisDOT), is proposing to improve West Lisbon Avenue from North 100th Street to West Burleigh Street. The meeting is an opportunity to people living, working, and traveling along West Lisbon Avenue to hear about the proposed project and discuss issues along the street. Your input will help identify solutions to make the street safer and more enjoyable for walking, bicycling, and driving. Here are some examples of input we are seeking from you:

- What could use improvement (what problems do you see?)
- Where is it difficult to cross the street?
- What business concerns do you have during or after construction?
- What information can you share regarding, historic properties, hazardous materials, private drainpipes or tiles, private irrigation systems, and concerns on West Lisbon Avenue?
- Where is it difficult to cross the street?
- Are there problems with sightlines at intersections or driveways?

The City of Milwaukee will continue to hold Public Involvement meetings throughout the duration of the project to keep the public informed about key milestones.

## SCHEDULE

The design phase is scheduled to take approximately three years with a tentative construction start of 2025.
