ACTION PISTOL SHOOT

Come join us, as the elves sing that classic:

Jingle bell, jingle bell, jingle bell rock

Targets will swing & cartridges ring

Goin' and blowin' up targets for fun

Now the jingle hop has begun

*Dancin' and prancin' in Jingle Bell Square,
In the frosty air....*

Oh, well, no prancin' with firearms....

**but there will be plenty of fun shooting &
camaraderie!**
