

Nevada County JOAD

Let me introduce you to our Junior Olympic Archery Development Program - "JOAD" for short. JOAD is a nationwide program where certified coaches provide instruction for youth archers to help them progress in the sport at their own pace. Whether you are new to archery or an experienced archer, JOAD has what you need! You'll learn important skills, play exciting games and earn awards for developing fundamental skills and scoring achievements. JOAD clubs offer training and event preparation for all archery disciplines and we have equipment for you to use, so you can try archery first before investing in equipment.

Who Can Join?

Archery is a sport that has no limits: age, gender or ability. We offer barebow, recurve and compound archers the opportunity to learn range safety and proper shooting technique in an environment that also fosters focus, increased self-confidence, and team building skills. JOAD is open to any youth archer aged 8 to 20 and is designed to grow with the archer. Introductory JOAD classes teach the fundamentals of proper shooting form; as the young archer develops, they will learn more advanced techniques.

A Little About Me!

My name is Brad Voss and I have lived in Grass Valley for most of my life. I grew up enjoying the outdoors through camping, hunting, fishing and archery. I coached a National Archery in Schools Program (NASP) at Nevada City Charter School until the school closed. I now enjoy coaching the JOAD program through USA Archery. I continue to use the NASP program for girl scouts.
